My Country 'Tis of Thee, Sweet Land of Liberty. Trains Without Wheels, the Dream of Engineers.

The elimination of friction has always been a dream of engineers. When the wheel was first invented and wagons could be used instead of crude sledges, doubtless those early wagonmakers felt that the world was theirs.

The newest plan for further lessening friction is to operate railroads entirely without wheels, using instead gliding shoes which are separated from their tracks by a thin film of water.

there is no reason why the wheels may not spin back and forth, tremendous speeds, under delicate and perfect control.

The chief difficulty about the project is a layman in that it includes the microscopic principle of operation upon a single track. It may be that some day the microscopic rail way may be made practical.

More rapid transportation is highly desirable, and something of this sort may eventually be made practical. It is well to use common sense in connection with the things at hand before putting much reliance upon these beautiful, theoretical skittering trains.

Patriotic Mobs Quickly Controlled.

Wherever the Reds have resorted to violence in this country, they have been suppressed quickly and effectively. Their "direct action" has met with equally direct reaction, quite sufficient for the purpose of restoring law and order.

Milwaukee may now elect another congressman. Or would it rather send a representative to the German parliament or the Russian soviet council?

SEARCH BEING MADE FOR MISSING BOYS

Home Service Sections are asked to search their records and use other channels of information to locate the following men: Abernethy, Leslie L.; Rothamel, Leroy A.; Boward, James Edward; Steele, Donald Roy.

RESULTS TELL: There Can Be No Doubt About the Results in La Grande. The testimony of a La Grande citizen can be readily investigated.

What better proof can be had? A J. Larni, caber owner, 1519 Jefferson St., La Grande, says: "Donny's Kidney Pills have been used with wonderful results in our family for kidney disorders and I gladly recommend them."

When you think of White Ivory Goods, you will be more apt to go to Silverthorn's to find out all about it as they always carry such a large variety of beautiful patterns.

Real extra fine Hot Tamales that touch the spot of your stomach; they have superior chili and the most superb hot chocolate and coffee—all these are better and cheaper in price than most meals you can buy elsewhere.

A NATION-WIDE DEMONSTRATION

Quick relief for any foot trouble. Perhaps you've read those big two-page ads in the Saturday Evening Post about DR. SCHOLL'S NATIONAL DEMONSTRATION WEEK, and have wondered who your dealer was in La Grande.

We carry the complete line of Dr. Scholl's foot appliances and remedies. Also we are prepared to give you the service. Our shoe salesmen are trained through the American school of Practipodics to tell you your troubles.

No matter whether your trouble is severe or trivial, whether it is a mere corn or it badly flares, they can and will show you how it can be readily and quickly relieved.

Allowing them to examine your foot will not obligate you in the slightest. He will merely determine the cause of your trouble, give you advice on foot care and show you how you can, when ready to do so, have the trouble corrected and gone.

Real Foot Comfort. Severe pains and cramps in the region of the ball of the foot indicate a common foot weakness. Let us tell you about it, explain its cause and how to correct it. There are hundreds of other foot ailments that you do not know about.

Don't blame your shoes. Very often it is your own carelessness in allowing your feet to weaken. Lack of proper care.

REMEMBER. We advise you—It costs you nothing and this service is found at this store ONLY in La Grande.
