A FOOL AT 40.

It is an old proverb that every man is either a fool or a physician at 40. Well, I fooled along for 40 years in the practice of pharmacy and the study of medicine and the quetuties before I discovered the wonderful prescription for Number 40 For The Blood. There is more of this wonderful prescription sold and used by the citizens of our home city than all other blood medicines combined. It is indicated in all depraved conditions of the system. In blood troubles, in sores, ulcers, eczema and skin diseases. In chronic rheumatism, catarrh, constipation, stomach, kidney and liver troubles. J. C. Mendenhall, 40 years a druggist. Houston, Texas, Jan. 22, 1915. J. C. Mendenhall, Evansville, Ind. Dear Sir: "Having suffered from 12 to 18 months with a nervous breakdown, said by physicians to be sciatic neuralgia, causing general toxic poisoning, and seeing your advertisement in San Antonio Express, I called on Dr. A. M. Fisher, druggist. He recommended your prescription Number 40 which I have been using for three months and I have received great benefit from it. Sleep well, good appetite, have gained several pounds in weight, get up feeling fresh every morning. Have no pains. My nervous system has become nearly normal." Respectfully, J. L. Dupree, 1715 Commos St.

"I Think that Crescent Baking Powder Is Fine"

Crescent produces light, sweet, wholesome, fluffy baking

The above statement was made by a user of Crescent Baking Powder in a letter of request for our Cook Book.

"I always wanted to get things into the oven," she writes, "as soon as possible before the raise of the powder was over. But with Crescent I find this is not necessary. Another good thing in favor of your Baking Powder is that I use only about half as much as other baking powders. And by buying the 5 pound tin for one dollar I save 2½c on every dollar's worth I purchase, and I find it keeps as good as ever. I think that Crescent Baking Powder is first."

Your grocer can supply you.
