R. WHITE GIVES LAST LECTURE

INVITED TO RETURN TO GIVE MORE TEACHINGS.

Conference Closes Last Night—Local Ministers Join With Salvation Army.

The Bible conference closed last night after a rousing street meeting by the Salvation Army in which every pastor took part.

A large audience listened with great interest to Dr. W. Y. White, noted Bible teacher and lecturer, in the last lecture at the Presbyterian church last night.

Dr. White gave a brief outline of God's plan for the ages, showing the difference between Israel and the church. According to his view point, Israel is yet to be re-established in Palestine and have their official worship before the resurrection of Christ.

The 'Church' is the "Called Out" body of believers whether Jew or Gentile, looking for the return of the Lord.

Jesus will come in the air and the 'First Resurrection' will then take place. The righteous dead will arise from the graves. (That is their bodies) and the living believers will be 'changed in the twinkling of an eye, and caught up with them to meet the Lord of the air.' The 'second coming of Christ' does not mean the end of the world.

Then God begins again to deal with Israel. The 'Beast' and 'False Christ' will hold this world in awe and the world will pass through the tribulation as never has been witnessed before.

During this time there will be a league of nations. God says so. The old Roman empire will revive and there will also be a league of religions. These things will be the winding up of the 'Times of the Gentiles.'

Jesus will come to earth bring His Saints with Him. The great battle of Armageddon will be fought and then but not until then will Jesus rule this world. He will rule as the 'Son of David!'—The Prince of Peace.

Satan shall be bound for a thousand years and 'Nation shall not lift up sword against nation, neither shall they learn war any more.' For the earth shall be filled with the knowledge of the glory of the Lord as the waters cover the sea. God's covenant with Abraham and David must be fullfilled.

In the twenty-eighth, twenty-ninth and thirtieth chapers of Deuteronomy, (given over three thousand years ago) we have a history of the Jewish nation from beginning to their end.

The 'Times of the Gentiles' or the days in which we live were revealed to the phrophet Daniel more than two thousand years ago.

'God's prophecies shall not fail.'

At the close of the service a vote was taken, and an invitation extended to Dr. White to come back to La Grande and spend several weeks in His teachings. He said he hoped to return next spring.

you had better shoot," he turned his gun like a flash on the highway commissioner.

That the deed was committed by hardened criminals and murderers is shown from the fact that after the two men lay dead on the floor the desperado held up the people in the room, even forcing the clerk of the hotel to open the safe. Robbery was the motive for the crime and over $400 was secured from the entire number in the dining room who were forced to gaze upon the two dead men while the robber leisurely went through the pockets of his victims, calmly taking time to make the clerk unlock the hotel safe.

CITY SHOCKED, BUT ACTIVE.

PORTLAND, Nov. 23.—(Special.)—The murder of J. N. Strong demands are being made to reestablish the death penalty in Oregon, even if a special session of the legislature shall be necessary. Men who are the strongest supporters of law are walking the streets deliberating on how to avenge the death of two of the state's well known men.

WERE WELL KNOWN HERE.

Place for Small Fruit.

In gardens where the available land is limited in extent, currants and gooseberries may well be planted among the tree fruits and left there permanently. The shade of the trees protect the fruits from sun scald, and the foliage is usually healthier in such locations than when grown where it is freely exposed to the sun.—Agricultural Department.
