As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. ## Style

Have you ever observed that some women do not look well dressed no matter how expensive their clothes? They seem to lack that something called style. Style does not come from clothing one wears, but from the figure underneath the clothing. The foundation of a correct figure is proper posture of the body maintained by the means of a properly padded corset.

## MODART CORSETS Front Laced

A trial fitting of the MODART corset, which is free by our courtesy, will prove to you their comfort and distinctly smart style.

## The More You Delay The Better It Raises

If you can shut yourself up in the kitchen and avoid all interruptions most any baking powder will give good results. But, with Crescent, delays do not make a particle of difference—in fact, best results are obtained by allowing the dough to stand for five or ten minutes before placing in the oven. Griddle cakes or biscuits raised with Crescent can stand hours, if necessary, before baking. Neither is a very hot oven required for Crescent. Crescent produces sweet, wholesome baking.
