

MASTER MIND OF CRIME TRUST CAPTURED

CHICAGO, Nov. 29.—The telegraphed picture is of Sam Cardinali, head of a band of Italians arrested for many recent murders and robberies in Chicago. Attempts of members of the "Murder Gang" to obtain freedom by means of habeas corpus proceedings were frustrated by the police. Members of the gang have

confessed to a number of murders, robberies, kidnappings in crime tell of one case he deliberately armed them with knives and sent them to the man with strict orders to kill him until he would yield to the police. The police consider these the most remarkable criminals in the city's history.

M'GRAW ALMOST GAVE UP HOPE

Had Suffered Ten Years—Gains Fifteen Pounds After Taking Taniae.

"I have gained fifteen pounds since I commenced taking Taniae and the troubles that have been causing me to suffer for ten long years have been completely overcome," said F. W. McGraw, a well-known boiler maker for the Standard Ship Building Co., living at Earle Creek, Ore., the other day.

"From the day my troubles began, up to the time I commenced taking Taniae," he continued, "my condition gradually got worse. In fact, during the past year I was in misery all the time. My stomach was in very bad condition, and in a short time after meals, what I ate would sour and cause me to be bloated up with gas something awful. Then, I often had had cramping pains in the pit of my stomach. At other times I would become so nauseated I could hardly retain what I ate. I was constipated all the time, and would have the worst sort of headaches every day or so. I just seemed to lose all my energy, and got so nervous I could hardly sleep at night. These troubles just kept getting worse all the time, and as I had failed to get relief from the different medicines and treatments I had taken, I was very much worried over my condition, and had almost given up hope of ever finding anything that would do me any good.

"My wife had been in a sun-down condition for a good while, and not long ago she commenced taking Taniae, and she had improved so much on it, that I decided to give it a trial myself. Well, sir, this medicine just hit the spot right away, and in a short time I was feeling like a different man. I got stronger every day from that time on, and now I am enjoying as good health as I ever did in my life. I never had a better appetite, and everything I eat agrees with me all right. I have gotten rid of my constipation, and I haven't had a headache since just after I began taking Taniae. My stomach is in fine condition and I never remembered like I used to be. I sleep like a log every night, and when I get up in the mornings I am strong and in hearty breakfast and am good for work. Yes, sir, Taniae has put me on my feet after everything else failed me, and as long as I live, I will never lose an opportunity to say a good word for it.

Taniae is sold in La Grande by all verthorne drug stores; in Union, by L. A. Wright; in North Powder, by L. Russell; in Elain, by Scott & Harris; and in Telocaster, by Telocaster Grocery store.
