Serious Results From Colds.
Colds not only cause a tremendous injury to every one who contracts them but are also a serious financial loss but are also a serious threat to the vitality and preparation of the system for the more serious diseases. It is not at all unusual for people who have serious lung trouble to say, "I had a hard cold last winter." Why not take Chamberlain's Cough Remedy and ure your cold while you can.—Adv.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success. They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or lining of the stomach and bowels. They stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they clear clouded brain and perk up the spirits.

And you will find how much more satisfaction a little of this Real Tobacco gives you than you ever got from a big chew of the ordinary kind. The good, rich, real tobacco taste lasts so long you don't need a fresh chew nearly as often. So it costs you less. Any man who uses the Real Tobacco Chew will tell you that.

BAD BREATH

DO YOU WANT your friends to avoid you? They will certainly do so when your breath is bad. There is no excuse for anyone having a bad breath. It is caused by disorders of the stomach which can be corrected by taking Chamberlain's Tablets. Many have been permanently cured of stomach troubles by the use of these tablets after years of suffering. Price 25 cents per bottle. Chamberlain's Tablets

Always Be Sure of the Number

—When you trust to an old card or letter head you are apt to call a number that has been changed.

—And when you do call a "wrong number" you cause inconvenience and delay for yourself and for the party whom you call in error.

—Make it a practice to consult the Telephone Directory first.
