## A HUMAN PLAY FOR CHARLES RAY.

"Forty-Five Minutes From Broadway," George M. Cohan's celebrated play in which Charles Ray has now appearing is one of the most popular stories Mr. Ray has ever produced. The story of "Forty-Five Minutes From Broadway" has to do with the adventures of Kit Burns, an ex-prize fighter from the East Side of New York City, whose friend Tom Bennett suddenly finds himself heir to a fortune and an estate in New Rochelle and sends for the Kit to act as his executor. Upon reaching New Rochelle the Kit encounters a series of adventures. "Forty-Five Minutes From Broadway" will be shown at the Arcade Theatre today, Friday and Saturday.

## COMEDY "ONE WEEK" AT SHERRY'S TODAY

One of the outstanding features of the bill at the Sherry Theatre beginning with the performance today will be the first of a series of comedies starring Buster Keaton. It is titled "One Week" and advance reports of it say that a wooden image couldn't keep from laughing at the antics of the inimitable Buster.

## "GREAT REDEEMER" TAKEN FROM LIFE

Maurice Tourneur's great screen production, "The Great Redeemer," which is to be shown at the Sherry Theatre for a run of two days beginning today, tells a story that is as absorbing and thrilling that persons who behold it will inevitably conclude that it is fiction—that it never could have happened in real life.

Such is, in fact, not the case. It embodies an incident that happened in a prison at San Bernardino, Cal., two years ago. A Mexican was serving fifteen years there for manslaughter. On the wall of his cell he painted a picture of the Crucifixion. As a direct result of the influence of this painting the Mexican was granted a pardon by the Governor of the state and is now a professional artist, making a living in Los Angeles.

The painting of The Crucifixion photographed in the production of "The Great Redeemer" is a copy of that on the wall of the Mexican's cell in San Bernardino.

## A Reliable Remedy for Colds and Croup.

It would surprise you to know the number of people who use and recommend Chamberlain's Cough Remedy. Mrs. J. N. Rose, Verona, Pa., writes "Chamberlain's Cough Remedy has been used by myself and husband for a number of years for coughs and colds. I also gave it to my little grand-daughter three and a half years of age when she had croup last winter. It broke up the attack at once. I have recommended this remedy to many of my friends and neighbors who have also used it with good results." —Adv.

## BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove it

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect.

Why not try a can of Del Monte Beans with Tomato Sauce tonight?

They'll surely bring back that old-time hunger zest of youth.

## For a Disordered Stomach.
