Always Be Sure of the Number

—When you trust to an old card or letter head you are apt to call a number that has been changed.

—And when you do call a "wrong number" you cause inconvenience and delay for yourself and for the party whom you call in error.

—Make it a practice to consult the Telephone Directory first.

It is not at all unusual for people who have serious lung trouble to say, "I had a hard cold last winter. Why not take Chamberlain's Cough Remedy and cure your cold while you can."—Adv.

IT'S GOOD FOR CHILDREN. Mrs. C. E. Schaub, 1007 14th St., Canton, Ohio, writes: "We use Foley's Honey and Tar for coughs and find it one of the best remedies on the market, especially good for children's coughs, as it does not contain any drug that is harmful." "Serious sickness often follows lingering colds. Hard coughing racks a child's body and disturbs strength-giving sleep, and the poison weakens the system so that disease cannot be ward off. Take Foley's in time. Sold everywhere."—Adv.
