

# HAD TO GIVE UP HIS WORK

### Forced to Quit His Job Because of Rheumatism—Well and Strong Now.

"I had to give up several different positions on account of rheumatism. Since taking Tanlac I never had an ache or pain on my body and I am working hard every day."—E. J. Burnett, 225 North 1st Avenue, Southeast, Portland, Ore.

"For ten years my rheumatism and stomach trouble had been pulling me down and I had gotten to the point where I didn't expect to see another day. My back hurt me so bad that sometimes I couldn't turn my head without moving my whole body, and I had those pains all through my shoulders. The muscles in my legs hurt so bad I was often unable to walk, and I have had to give up several good jobs just on this account. Often I was such a mess I couldn't even turn over in bed. I lost my appetite and my stomach got so badly out of order that the little I did force down disagreed with me. Nothing did me any good other than a little temporary relief, and I realized that it wouldn't be long before I would have to give up entirely.

"One day a railroad man from Lewistown, Idaho, advised me to try Tanlac and I have thanked him many a time since for putting me on to such a fine medicine. Why, I went straight after my troubles and don't believe there is a trace of rheumatism left in my body. I never feel a sign of it add am as strong and active as I ever was. I can hardly get enough to eat and everything agrees with me perfectly. I am sleeping fine and can do as much a day's work as I ever could."

Tanlac is sold in La Grande by Silvertorn's Drug Store; Clyde Middle of Island City and by the leading druggists in every town.—Adv.

### Serious Results From Colds.

Colds not only cause a tremendous injury to every one who contracts them but are also a serious threat as they lower the vitality and prepare the system for the more serious diseases. It is not at all unusual for people who have serious lung trouble to say, "I had a hard cold last winter." Why not take Chamberlain's Cough Remedy and are your cold while you can.—Adv.

## DON'T SUFFER WITH NEURALGIA

### Use Soothing Musterole

When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief. Musterole is a clean, white ointment made with oil of mustard. Better than a mustard plaster and does not blister. Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuritis, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bite—cold of the chest fit often prevents pneumonia. It is always dependable. 35c and 65c jars; hospital size \$3.00
