For a Disordered Stomach.

When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested. The important thing is to restore the stomach and liver to a

healthy condition and for this purpose Chamberlain's Tablets are excellent. Give them a trial. They only cost a quarter.—Adv.

Francis Marion's beautiful story of a boy's genius and a mother's love. Beginning in the slums of New York's ghetto. Rising to the heights. Then ending—where?

A story that cries to hide its laughter and laugh to hide its tears.

THE OFFICE CAT

—By JUNIUS—

OKEH, WILLIE!

"Is it ever so humble,"
Said Willie McDome,
"I'm free to confess,
There is no place like home,
For your dear home and fireside
How fondly you sigh.
When you're miles out of town
And your gas tank goes dry."

It takes a brave man to wheel the twins past the girl that he jilted.

The most absent minded man in the world has been discovered in La Grande. He wound his cigar and put his watch in the ash tray.

Many a wise man wears whiskers, so does a coconut.

The chief difference between buying a new car and a used one is that when a new one goes on the bum, the owner hasn't the satisfaction of blaming somebody else.

W. E. Donhart says that it is hard to tell when one sees a young lady with short hair whether she has just recovered from typhoid fever or is of a literary temperament.

Absence makes the heart grow fonder—possibly that's why a near-bald guy takes more pains to part the few remaining hairs than he did when he had plenty.

Criticism doesn't hurt anybody. Nor ridicule, for that matter. What has been more abused than the flivver?—and yet, everybody knows that it keeps going.

Kinda seems like we pulled that once before.

But in order to play safe, we'll risk it again.
No, Emerald, the matter of filling space doesn't worry us at all. If it did, what we'd have to do would be to

STRING 'EM OUT, something ON THIS ORDER.

BE PATIENT.
There's no use of feeling blue. It's foolish, friend, to fret; The summertime ain't due. For nearly six months yet.

STARTLING STATISTICS.
Only one girl in every 237 receives a proposal after she has eaten onions that evening.

La Grande opticians are charging more than they did a few months ago for grinding lenses. Possibly due to the fact that the demand has slumped since the shadow skirt has passed away.

We have observed that the girl who has a couple good looking brothers usually has a large flock of girl friends.

Tommy Scroggin says that nothing rattles a married man quite so much as having his wife agree with him on everything.

When looking for the party who stole it, don't overlook the persons who knew where it was.

She—"How many people work in your office?"
Employer—"Oh, estimating roughly, I should judge about two-thirds of them."

SURE WAY TO GET A VACATION.
Ope the boss.

Worse Than a Cat.

Nothing, since the passing of the hoop skirt, is harder to get around than a young man who has grown records.

BAKER WILL PLAY WEISER

BAKER, Jan. 20.—Baker high school basketball team, will play Weiser Friday evening at the high school gymnasium with the fast Weiser high school quintet in what will be the first real test of the season for the local lads.

Coach "Ad" Dewey's proteges have been cleaning up in landslide style since the opening of the season the first of this month. In the first game of the year at Haines the score stood 54 to 9 in favor of Baker. The second contest was with North Powder on the local floor and the Baker five rolled up a score of 80 to the visitors 5.

Last Friday night the Baker aggregation journeyed to Union where on a small floor they defeated the high school of that place to the tune of 38 to 6 in an exceedingly rough game.

Saturday night a return game was played with North Powder high school at North Powder. Baker won 61 to 6 on a very slippery floor.
