## THEATRES

### THE MASTER MIND AT THE ARCADE

Lionel Barrymore in "The Master Mind" will be the attraction at the Arcade Theatre today and Tuesday. The story concerns the workings of the remarkable mind of a brilliant psychologist who went on reaping revenge on a district attorney who had sent his brother to the electric chair. A beautiful girl, innocent and unsuspecting, is used as the pawn and a gang of dangerous criminals, completely under the control of the master mind, weave the nets of vengeance around the victim with thrilling skill. Just at a time when the master mind has finally achieved his purpose, something unusual happens to stay his hand and, it is said, the ending is one of the most unusual yet projected upon the silver sheet.

### MADGE KENNEDY IN "THE TRUTH" AT SHERRY THEATRE

Madge Kennedy's latest picture, "The Truth," made from Clyde Fitch's famous play, brings to mind a parlor game which can be made quite as interesting as the most thrilling of steep-chase rides—provided the participants cling rigidly to the rules. Any number of persons of either sex may play the game. The players sit in a circle, facing each other. Each player solemnly swears to tell the truth, the whole truth and nothing but the truth to any question that is asked him, also promising absolute secrecy in regard to any confidences that may be divulged.

Telling the truth, as you perhaps know, is at times a great deal more exciting than telling a lie. If you don't believe it, we advise you to see Madge Kennedy in the delightful photoplay at Sherry's.

Also showing "Vol-A-Vil Movies" four acts.

## HAD TO SLEEP IN HIS CHAIR

Portland Man Was In Pain All The Time From Rheumatism Until He Got Tanlac.

"It was six months ago that Tanlac set me straight and added fifteen pounds to my weight, and ever since then I've been enjoying as fine health as I ever did in my life," was the statement made recently by O. W. Axelsson, of 244 Cook avenue, Portland.

"Seven years ago I had an awful attack of rheumatism," he continued, "and it kept pulling me down until during the past year I wasn't able to work more than half the time. My whole left side became affected and it pained me so I could hardly touch it. My leg was drawn and crooked and if I tried to straighten it out I simply suffered agonies. I was in pain all the time, could never sleep to do any good and was often unable to lie down and would have to sit in a chair all night long. My appetite went down to nearly nothing and I fell off in weight."

"I had no idea Tanlac could do me much good after all the many treatments and medicines I had tried had failed, but it proved to be a winner. In a short time the pains commenced to let up and I could straighten out my leg without its hurting me. And in little more than a month I could not feel a trace of the rheumatism and had actually gained fifteen pounds in weight. This was six months ago and I have not been troubled in any way whatever since. I am in the very pink of condition, eating fine, sleeping fine and working hard every day. Tanlac has meant health to me and I give it my heartiest endorsement."

Tanlac is sold in La Grande by Silveithorn's Drug Store; Clyde Kiddle of Island City and by the leading Druggists in every town.—Adv.
