WHY DON'T YOU LOOK WHERE YOU'RE GOIN'?

WHY DON'T YOU LOOK WHERE YOU'RE GOIN'?

Why you should place that monument order with this establishment—

1st.—The marble or granite will be of **FIRST QUALITY**.

2nd.—The design will be an excellent example of this art.

3rd.—The lettering, etc., will be **DEEPLY** cut in order to offset the actions of the elements.

The monument is erected for all the time—that's why it should be made and erected by US.

Always Be Sure of the Number

—When you trust to an old card or letter head you are apt to call a number that has been changed.

—And when you do call a "wrong number" you cause inconvenience and delay for yourself and for the party whom you call in error.

—Make it a practice to consult the Telephone Directory first.

THREE MEN.

ONE—goes around incurring small debts here and there. Doesn't know how he will meet them; only knows they mount up alarmingly fast.

ANOTHER—doesn't owe anybody anything yet, but he's running on a dangerously narrow margin, and wearing himself out trying to keep up with the game.

ANOTHER—saves a little each week from his earnings and puts it in the bank. He's finding a lot that's worthwhile in life.

These represent three characteristic types. Do you find yourself among them?
