GRANDMOTHER KNEW

There Was Nothing So Good
for Congestion and Colds
as Mustard

But the old-fashioned mustard-
plaster burned and blistered while it
served. Get the relief and help that
mustard plasters gave, without the
plaster and without the blister.

Musterole does it. It is a clean,
white ointment, made with oil of mus-
tard. It is scientifically prepared, so
that it works wonders, and yet does
not blister the tenderest skin.

Gently massage Musterole in with the
finger-tips. See how quickly it brings re-
lief—how speedily the pain disappears.
Use Musterole for sore throat, bron-
chitis, tonsillitis, croup, stiff neck,
asthma, neuralgia, headache, conges-
tion, rheumatism, lumbago,
rains and aches of the back or joints,
sprains, sore muscles, bruises, chil-
blains, frozen feet, colds of the chest
(it often prevents pneumonia).
