Serious Results From Colds

Colds not only cause a tremendous injury to every one who contracts financial loss but are also a serious threat as they lower the vitality and prepare the system for the more serious diseases. It is not at all unusual for people who have serious lung trouble to say, "I had a hard cold last winter." Why not take Chamberlain's Cough Remedy and cure your cold while you can.—Adv.

It would surprise you to know the number of people who use and recommend Chamberlain's Cough Remedy. Mrs. J. N. Rose, Verona, Pa., writes "Chamberlain's Cough Remedy has been used by myself and husband for a number of years for coughs and colds. I also gave it to my little grand-daughter, three and a half years of age when she had croup last winter. It broke up the attack at once. I have recommended this remedy to many of my friends and neighbors who have also used it with good results."—Adv.

Always Be Sure of the Number

—When you trust to an old card or letter head you are apt to call a number that has been changed.

—And when you do call a "wrong number" you cause inconvenience and delay for yourself and for the party whom you call in error.

—Make it a practice to consult the Telephone Directory first.

THREE MEN.

ONE—goes around incurring small debts here and there. Doesn't know how he will meet them; only knows they mount up alarmingly fast.

ANOTHER—doesn't owe anybody anything yet, but he's running on a dangerously narrow margin, and wearing himself out trying to keep up with the game.

ANOTHER—saves a little each week from his earnings and puts it in the bank. He's finding a lot that's worth while in life.

These represent three characteristic types. Do you find yourself among them?
