Cause of Earthquakes. Modern geological science holds that earthquakes are due to "faulting." "Faults" are breaks in the strata of the earth's surface, the broken edges slipping past each other so that the same rock is found at different levels on opposite sides of the fault. These breaks create weak places in the earth's crust, and from time to time more slipping occurs. When this happens, an earthquake of greater or less violence is the result.

Cindy's Ups and Downs. The subject being Cinderella, one little girl, an incipient Carolyn Wells, wrote: "We learn that if her life did begin in a low, mean way, it ended in a humeral affair."

Silverthorn's Idea of Drugs—Many items in the drug lines are today much lower than six months ago. You will always find us ready to meet the prices of the times. During the war Drugs very generally were sold at closer prices than most items of merchandise by all retail Drug Stores. The government statistics show this emphatically, by schedules of comparative prices. Drugs were shown to be the lowest of all merchandise offered at retail. We have always tried, at retail, to be fair with our customers in this respect, hence our constantly increasing business.

"Here Comes The Bride!"

Everybody wishes her well! Happy and radiant she starts out on life's adventure. She should have health to begin with. Good looks in woman do not depend upon age, but upon health. You never see a good-looking woman who is weak, run-down, irritable, out of sorts, fidgety and nervous. Headaches, backaches, dragging-down pains, irregularities and troubles of that sort are all destroyers of beauty. Men do not admire sickness.

It is within the reach of every woman to be well, healthy and strong if she will take Dr. Pierce's Favorite Prescription.

ROSEBURG, OREGON.—"I suffered something terrible from an organic trouble. Could scarcely stand on my feet. My head and back ached so hard and I was weak and nervous. I had a severe pain in my side and my limbs and feet ached. I was also troubled with constipation. I took Doctor Pierce's Favorite Prescription, Golden Medical Discovery and the Pleasant Pellets, and these medicines relieved me of all my ailments and I was well and strong."—MRS. W. D. MOORE, 1246 N. Jackson Street.

Send 10c. to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for a trial package of any of his medicines.

GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister. Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin. Gently massage Musterole in with the finger-tips. See how quickly it brings relief—how speedily the pain disappears. Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuritis, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia). 25c and 50c jars; hospital size \$2.00.
