Try Our PRESCRIPTION SERVICE

—It is essential that your prescriptions have every bit of the potency that the physician relies upon or else the results will be disappointing.

—To insure this, drugs must be fresh, pure, active, and must be properly compounded. Our trade is very large, which insures rapid selling and, hence, freshness. We have every drug ever called for. All prescriptions are compounded by registered pharmacists, and the price is always reasonable.

Always Be Sure of the Number

—When you trust to an old card or letter head you are apt to call a number that has been changed.

—And when you do call a "wrong number" you cause inconvenience and delay for yourself and for the party whom you call in error.

—Make it a practice to consult the Telephone Directory first.
