### Serious Results From Colds

Colds not only cause a tremendous injury to every one who contracts them as they lower his vitality and prepare the system for the more serious diseases. It is not at all unusual for people who have serious lung trouble to say, "I had a hard cold last winter." Why not take Chamberlain's Cough Remedy and use your cold while you can.—Adv.

PAULINE FREDERICK  
IN MYSTERY PICTURE

So fine are some of the emotional scenes in "The Woman in Room Thirteen," the latest Goldwyn picture in which Miss Pauline Frederick is starring at the Sherry Theatre that most of the scenes were filmed in the quietness and solitude of the night.

The story is full of tense and emotional scenes of the sort in which Miss Frederick loves to take part. In her many pictures she has revealed herself as one of America's foremost emotional actresses, and this fact alone makes "The Woman in Room Thirteen" a picture well worth seeing.

HUSBANDS AND WIVES  
LEARN THIS LESSON!

"So Long Letty" the new Robison-Cole super-spectacular picture which makes its debut tomorrow at the Sherry Theatre for a run of two days, the picture-going public will find a comedy-drama which lacks nothing in the make-up of a photo-play prize.

The story of "Letty" includes many amusing incidents and at the same time "puts over" a lesson for dissatisfied husbands and wives. When two newly-wedded couples decide they have made mistakes and the husbands believe that swapping wives is the solution there is bound to be some "put" action. "So Long Letty" has all of this and more, too.
