"Here's Real Tobacco" says the Good Judge

That gives a man more genuine chewing satisfaction than he ever got out of the ordinary kind. Smaller chew, lasts longer—so it costs less to chew this class of tobacco.

And the good, rich tobacco taste gives a world of satisfaction.

Any man who uses the Real Tobacco Chew will tell you that.

WE WILL MEASURE UP

It was said of George Washington that the office of President of the United States was "cut to his measure"—it fitted him better than any other man of his time.

The life of each of us is cut to our measure—it is up to us to recognize and live up to its full capabilities.

This institution is doing its best to fulfill the purpose for which it came into being—to assist the people of this community, through the wise management of finances, to attain their full share of success.

—On Washington's Birthday this institution is closed, to honor the memory of a great man who measured up to the work cut out for him.
