State News

Reports from Portland during January had a total valuation of about \$250,000.

Cottage Grove will have a modern ice plant before the opening of the summer season.

A woman's auxiliary to the United Post, American Legion, was organized at Roseburg.

The Corvallis Country club directors have elected Warren G. Harding to honorary membership.

The sundry civil bill as reported to the senate carries \$400,000 for beginning the Deschutes project in Oregon.

Reopening of the state lime plant at Gold Hill was urged by Marion county realty men in session at Salem.

Additional classrooms are needed at once to house the increase of nearly 3000 children in Portland schools this term.

Oregon's campaign to raise funds for the starving children of eastern and central Europe is to be closed officially February 15.

The Commercial club of Dallas has given a bonus of \$800 to the Dallas Machine & Locomotive works and \$500 to the Dallas cannery.

John I. Lukkila, a farmer on an island in Youngs river, about ten miles from Astoria, committed suicide by shooting himself.

The public schools at Jefferson have been closed as a precautionary measure against the spread of diphtheria, which is prevalent there.

The United States bureau of roads has let a contract for two miles of roads near Tidewater. The work will require about five months.

The total membership of the Lun county farm bureau has passed the 400 mark, and is well on the way toward the original goal, 1000.

The Eugene high school at the close of the midwinter term had an enrollment of 729, which is 100 greater than the largest enrollment last year.

The cleanup of stored apple stocks at Hood River will be later than usual. Approximately 175,000 boxes are yet in the hands of the growers' association.

The First National bank of Albany, the second oldest existing national bank in Oregon, celebrated the 50th anniversary of its organization last week.

J. L. Bowman, who owns the Brownsville woolen mills, is negotiating for the purchase of the woolen mill machinery at Bandon and its removal to Brownsville.

The new Deaconess hospital at Salem was dedicated last week. The building is not the property of any sect, but was erected by donations from all sources.

Snow nearly five feet in depth was found by Forest Ranger R. E. S. Smith and G. L. Drake, who have just completed a week of cruising in the Lost Lake region near Mt. Hood.

Because of the crowded condition of the Albany schools, the school board has decided to call a special election for the purpose of issuing bonds to provide additional room.

The executive committee of the Clatsop county farm bureau has appointed E. W. McMinden of the state agricultural college extension department as county agricultural agent.

While preparing a chicken for cooking, Miss Grace Orde, a Medford nurse, found a rich gold pocket in the chicken's craw and extracted five nuggets about the size of small peas.

Representative McArthur at Washington has been notified that all the details for the transfer to the government of the Tongue Point naval base by Clatsop county have been completed.

Under the provisions of a lump sum legislative bill, as was agreed to in the river and harbor committee, surveys were authorized for Tillamook bay and the Umpqua river in Oregon.

Two hundred retail shoe dealers from all sections of the state are expected to attend the annual convention of the Oregon Retail Shoe Dealers' association to be held at Salem on February 24.

The depth of snow at Crater lake rim is 11 feet, and at Anna spring camp, five miles lower down, is 10 feet, according to word received from Ranger Brown, who is stationed at the lake this winter.

Traffic accidents in Portland for the month of January showed a decline of 245 from December, while traffic violation arrests for the month showed an increase of 60 per cent over the preceding month.

More than 60 irrigation districts have been organized or are in the process of organization in this state, according to the biennial report of the state engineer. These districts have a total area of 1,200,000 acres.

At Cain's 11:50 to 1:30 lunch grows more popular every day. Try a good steaming hot roast, a delicious cup of hot coffee, or a cup of rich chocolate with pure whipped cream at a most moderate price for these mid-day lunches.

Palmer Confectionery Co.

In a lighthearted jest—Charlie Rogers in "Punch" Valley" made starting this day.

HARDING HAS COMPLETED SELECTION OF CABINET

(Continued from Page 1)

schools. He has worked as a rancher, farmer, miner and lawyer. He served in the New Mexico legislature and as Associate Justice of the New Mexico Supreme Court. He has been United States senator since 1902, his present term expiring in 1923.

John Wingate Weeks, of West Newton, Mass., was selected for secretary of war. Born in Lancaster, N. Y., Weeks is aged 60 years. He is a graduate of the U. S. Naval Academy in 1881. He served as U. S. midshipman from 1881 to 1883. Later, he became a member of the firm of bankers and brokers, Boston, remaining there from 1883 to 1912.

During 1905-13, he was a member of Congress and served as United States senator from 1913 to 1919. Weeks was a candidate for presidential nomination in 1916, receiving 105 votes. He served in the Massachusetts naval brigade for ten years, and in the Volunteer Navy during the Spanish-American war.

Harry M. Daugherty, of Ohio, has been selected for the Attorney Generalship.

Daugherty is a lawyer of Columbus, Ohio, aged 61 years. Following his university education, he practiced law at Washington Court house, his birthplace, from 1881 to 1888. He was elected to the state legislature in 1888, serving for five years. He was chairman of the state republican committee in 1912, and also twice chairman of the state republican executive central committee of Ohio. This past year, he was campaign manager for Harding at the Chicago convention.

Henry Cartwell Wallace, selected Secretary of Agriculture, comes from Des Moines, Iowa. He was born in Ireland, Ill., and is 54 years of age.

He received a college education, and is a farmer and breeder of livestock, having spent the years between 1887 and 1891 in Iowa in this work. He has been editor and publisher of farm publications, from 1893 to the present. He is also a bank director, member of the U. S. Livestock Industry Committee, and for 14 years secretary of the Corn Belt Meat Producer's association. He has long been interested in the Young Men's Christian Association, being a member of the international committee. He is a member of the Masonic order.

FORMER LA GRANDE MAN BUYS TAILORING SHOP

BAKER, Feb. 22.—F. E. Wilhelm, for the past year in the employ of the McIntyre-Silven company of this city, has purchased the tailoring department of the company from Messrs. Carl D. Silven and George McIntyre. Several days ago the announcement was made by the company that they would discontinue their tailoring department and the move on the part of Mr. Wilhelm was rather unexpected.

St. Distauff's Day.

St. Distauff's day, or Rock day, was the jocular name given to the seventh of January by our ancestors because the distaff or rock was resumed, or proposed to be so.

"Gets-It" Ends All Corns

Just As Good For Calluses. Money Back If It Fails.

Thirty seconds after you touch the corn with this liquid corn remover the itching, stinging pain of it stops for all time.

Simple As A, B, C.
No corn, hard or soft, is too old or too deeply rooted to resist "Gets-It." Immediately it dries and shrivels, the edges loosen from the true flesh and soon you can peel it right off with your fingers as painlessly as you trim your nails.
Don't excise, cut, or burn. Don't paralyze, blister, or burn. Don't cut and trim them. REMOVE them with "GETS-IT."
Costs a little at one drug store. Mfg. by S. Lawrence & Co., Chicago.

J. C. PENNEY COMPANY—A NATIONWIDE INSTITUTION

BETTER THAN CALOMEL

Thousands Have Discovered
Dr. Edwards' Olive Tablets
Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." Note how they clear clouded brain and perk up the spirits.

SLOAN'S GOES RIGHT TO THE ACHING SPOT

You can just tell by its healthy, stimulating odor, that it is going to do you good

THOUSANDS of men and women, when the least little rheumatic "crick" assails them, have Sloan's Liniment handy to knock it out. Popular over a third of a century ago—far more popular today.

That's because it is so wonderfully helpful in relieving external aches and pains—sciatica, lumbago, backache, neuralgia, overstrained muscles, stiff joints, weather exposure results. A little is all that is necessary, for it soon penetrates without rubbing, to the sore spot. No muss, no stained skin.

All druggists—25c, 70c, \$1.40.
