Serious Results From Colds.

Colds not only cause a tremendous injury to every one who contracts financial loss but are also a serious threat as they lower the vitality and prepare the system for the more serious diseases. It is not at all unusual for people who have serious lung trouble to say, "I had a hard cold last winter." Why not take Chamberlain's Cough Remedy and are your cold while you can.—Adv.

"To him that hath shall be given"

Was the Biblical version of our modern saying: "Nothing succeeds like success." So it was with Dr. Pierce's, of Buffalo, N. Y., who, over 50 years ago, gave to the world a Prescription which has never been equalled as a tonic for the weakness of women. Many women in every hamlet, town or city will gladly testify that Dr. Pierce's Favorite Prescription did them a world of good. Ask your neighbor.

Another of this great physician's successful remedies is known as Dr. Pierce's Golden Medical Discovery and, like the "Prescription," is now sold by druggists everywhere, in both liquid and tablet form. This medicine was a success from the start, for the list of men and women all over the universe who have successfully used it for indigestion and as a blood tonic and system builder, makes an amazing total of thousands.
