LAXATIVE for Aged People

THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.

Why

automobile manufacturers say "clean your crankcase regularly!"

Engine operation causes steady accumulation of road dust, carbon, fine metal particles, and other impurities in your crankcase oil. This contaminated oil circulates through your engine, impairs its performance and ultimately leads to rapid depreciation and repairs.

Your Instruction Book says, "flush out the crankcase regularly and refill with fresh oil." But these important instructions are often disregarded; cleaning the crankcase is a job generally disliked.

To meet this need, Modern Crankcase Cleaning Service has been established by first-class garages and other dealers, co-operating with the Standard Oil Company. These garages and dealers use Calol Flushing Oil, the scientific agent that cleans out old oil, dirt, grit and other impurities, and does not impair the lubricating efficiency of fresh oil used. The cleaned crankcase is refilled with the proper grade of Zerolene.

Look for the garage or dealer displaying the sign shown below, — it means "Better operation and longer engine life," a service promptly given at a nominal cost.

WHAT YOU SHOULD NOW EXPECT FROM A TYPEWRITER—

IS SHOWN BY THE "SILENT SMITH" NEW MODEL 8.

This ball bearing, long wearing machine was designed by the Smith Brothers, who have had twenty-seven years of experience in manufacturing writing machines. It outperforms all other typewriters. Its superior responsiveness to be appreciated must be felt and excited in. It is the pioneer ball bearing silent typewriter, built to suit the user.
