BIG HIT SHOWN 5207
TIMES ON THE STAGE JS
FILMED BY CHAS. MAY

"Peaceful Valley," a well known Sol Smith Russell success which has a record of 5,207 stage performances, has at last been transferred to the screen, with Charles Ray, the popular cinema star, playing the leading role in his favorite part of a "hick."

The production, which was adapted by Isabel Johnston from the stage play by Edward E. Kidder, will be the attraction at the Arcade Theatre today, Friday and Saturday.

"Peaceful Valley" was for years one of the most popular footlight attractions in America. Sol Smith Russell, playing the leading role, registered his greatest success in it. As a vehicle for Charles Ray, it is declared to be especially suitable, and in it the young star is said to have done some of the greatest work of his screen career.

ALICE LAKE, IN "BODY AND SOUL," SHERRY'S TODAY AND TOMORROW

Alice Lake will appear before local motion picture audiences in a photodrama of the artist quarter of Paris, "Body and Soul," today and tomorrow at Sherry's Theatre.

In this picture, it is understood, Miss Lake will be seen first as an American girl art student in the French capitol, and again as the same girl as she was after an unusual incident which changes her entire personality.

Not a dual role picture, "Body and Soul" nevertheless is a test of the young actress' range of character portrayal in that the nature, the soul of Claire Martin undergoes such a radical warping as the result of the strange great adventure befalling her in the Quartier Latin.

Also showing a comedy.
