Income Tax Facts You Should Know

The bureau of internal revenue has innumerable sources for checking up persons who fail or "willfully refuse" to file an income tax return and pay the amount of tax due.

One of these is the information at source" provision of the revenue act which requires that reports must be made by all persons, trustees, guardians, fiduciaries, and by partnerships, personal service corporations and organizations, of payments to others during the year 1920 of \$1000 or more. A separate return of information for each employee whose salary is \$1000 or more is required of employers. The return

must show the name and address of each recipient and the amount paid. These information returns which are filed with the Commissioner of Internal Revenue at Washington, D. C., are carefully checked with the returns of individual income. If John Doe, who has received a salary of \$1000 or more during the year 1920, has failed to report this payment in his personal return, he will hear from the collector of internal revenue.

Thousands of delinquents have been discovered and penalties and taxes aggregating hundreds of thousands of dollars have been collected as the result of this audit.

COMING — "WHILE NEW YORK SLEEPS"

A. C. Billman, of Indiana, who says Tanlac is unquestionably the greatest medicine he ever heard of. "It put me back on my feet after I had practically given up all hope of ever being well again," he states.

"Tanlac is unquestionably the greatest medicine I ever heard of. After I had practically given up all hope of ever being well again, it put me right back on my feet, and I am feeling one hundred per cent better than I have in twenty years. I have gained ten pounds in weight, and every one says I don't look like the same person."

"For several months I suffered from a serious stomach disorder. I had no appetite and couldn't eat enough to keep up my strength. Very often when I sat down to a meal I would leave the table without touching anything, as I could not bear the sight of food, much less eat it."

"I was losing in weight and my friends would often ask me: 'What is wrong with you? Why are you looking so thin?'"

"I also suffered terribly with pains across the small of my back and over my kidneys. It was almost impossible for me to get out of bed in the morning, as my back would pain me so I would almost fall over when I would first stand up in the morning. At night my back pained me so it was almost impossible for me to sleep. I would lie first on one side and then on the other and would roll and toss all night long. I had almost given up and thought maybe my age was against me, as I had taken so many different kinds of medicines without results."

"The first bottle of Tanlac didn't help me much, but I made up my mind to give it a fair trial. After starting on the second bottle I began to feel better. My appetite returned and it just looked like I could hardly wait for meal time to come. In fact, I was hungry all the time."

"My back and kidneys don't bother me any more and I can sleep like a log now. Tanlac has just simply made a new man of me, and any one living in this county can tell you the same thing, as everybody knows me and knows the shape I was in."

The above statement was made recently by A. C. Billman, of Ligonier, Ind. Mr. Billman has lived in Noble County all his life and is a well-known and highly-respected citizen of that county.

Tanlac is sold in La Grande by Silverthorn's Drug Store; Putnam Drug Store; Clyde Kiddie, of Island City; Ramsdell & McGown, of Cove, and by leading druggists in every town.—adv.

FOUND A CURE FOR INDIGESTION.
"I use Chamberlain's Stomach and Liver Tablets for indigestion and find they suit my case better than any dyspepsia remedy I have ever tried and I have used many different medicines. I am nearly fifty-one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to, now," writes George W. Emkey, Rock Mills, Ala. These tablets contain no poisons but strengthen the stomach and enable it to digest the food naturally.—adv.

WHEN the household cares and the worries of everyday life have dragged you down, made you unhappy, and there is nothing in life but headache, backache and worry, turn to the right prescription, one gotten up by Doctor Pierce over fifty years ago.

The result of his studies was a medicine called Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening pains, and for many disorders common to women in all ages of life. Sold by druggists in tablet and liquid form. Send Dr. Pierce 10c. for trial package.

HOBART BOSWORTH IN "BELOW THE SURFACE"

The same sheer dramatic force that made "Behind the Door" a motion picture always to be remembered lives anew in Hobart Bosworth's second Thomas H. Ince vehicle, "Below the Surface," which came to the Sherry Theatre last evening for a two day's run.

As Martin Flint, the sturdy New England deep-sea diver, Mr. Bosworth descends to the ocean bed to rescue an imprisoned submarine, fights his way to safety from a sinking steamer, and finally plunges to the sunken wreck without the aid of a diving suit to save his son, who is trapped on its deck.

The story deals with the hoodwinking of Martin Flint's son by an un-
