### "You may be Sure" says the Good Judge

That you are getting full value for your money when you use this class of tobacco. The good, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often—nor do you need so big a chew as you did with the ordinary kind. Any man who has used the Real Tobacco Chew will tell you that.

Put up in two styles

### Penrose Wheeled Into the Senate

Senator Boies Penrose of Pennsylvania, snarped as he was being wheeled into the capitol, where he took his seat in the senate, for the first time in 12 months. The Republican leader shows plainly the effects of his long illness but he remained in his chair in the senate chamber for more than an hour, introducing several bills, answering a number of roll calls and receiving congratulations from his many old friends.

**BETTER THAN CALOMEL**  
Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute  
Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets in a vegetable compound mixed with olive oil in his private practice with great success. They do all the good that calomel does but have no bad after effects. No pain, no griping, no injury to the gums or danger from acid food—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they clear clouded brain and perk up the spirits.
