Jane Jackson

Never Before

have corsets of this quality been offered at so moderate a price. In fact such corsets have rarely been sold in retail stores at all. They have usually been made for the rich on special orders. The Jane Jackson is the finest corset it is possible to make and its price is 1/4 to 1/2 less than custom made corsets of like quality.

Now every woman may be correctly but economically corseted. Come and inspect these remarkable values. Front and back lace models.
