THINGS THAT CAN'T BE BOUGHT—

It is possible to buy power, but not respect—position, but not loyalty—followers, but not friends. In fact, the most precious things in life can't be bought. This truth is nowhere more vividly exemplified than in the drug shop.

GOOD WILL is a very valuable asset in the practice of pharmacy—yet it is overlooked by many dealers in their strife for quick profits.

Immediate profit has never been our chief aim, for we realize that the increased business which comes to us because of quality goods and superior service will enable profit to take care of itself.

When selecting a family drug store, be influenced by other things besides the lure of low prices. Consider various service features which contribute to your welfare.

WHAT YOU SHOULD NOW EXPECT FROM A TYPEWRITER—

IS SHOWN BY THE "SILENT SMITH"
NEW MODEL 8.

This ball bearing, long wearing machine was designed by the Smith Brothers, who have had twenty-seven years of experience in manufacturing writing machines. It outperforms all other typewriters. Its superior responsiveness to be appreciated must be felt and exulted in. It is the pioneer ball bearing silent typewriter, built to suit the user.

FIVE BILLS WILL GO ON BALLOT.

TITLES ARE NOW READY FOR
THE BILLS IN JUNE.

Four Measures in Addition to Soldier
Bonus Legislation to Be Sub-
mitted to Voters.

SALEM, Mar. 10.—At least four other measures besides soldier bonus legislation, referred to the people by the thirty-first legislative assembly, will be on the ballot at the special election of June 7, according to an opinion that has been reached by Attorney General J. H. Van Winkle, and he has prepared ballot titles for the measures.

The bonus legislation provides for cash bonus of \$15 a month or not to exceed \$500 in any one case, or bonus not to exceed \$4000, which may run for a period of forty years. The interest rate is 6 per cent.

Submit Marriage Test.
Another measure to be voted on is the woman jury bill which qualifies women to sit as members of juries in Oregon, but leaving the duty optional with the woman.

The marriage test bill is another, providing for physical and mental examinations for marriage license. The bill provides that if one or both of the applicants fail to pass a satisfactory examination, one or both must be sterilized before the marriage.

May Prolong Session.
One of the most important of the measures is the sixty-day legislative session amendment, increasing the duration of the legislative session from forty to sixty days and increasing the pay of the members from \$3 to \$5 a day.

Another is the single item veto bill. At present the governor is empowered to veto single items in appropriation measures but not in other acts. The pending measure is aimed mainly at promiscuous use of the emergency clause and would enable the governor to veto the clause.

Germicide Hair Tonic.
It is used with great success by Chas. Stone, who lives in the state of Washington. He writes as follows: Silverthorn's Family Drug Store:—

Please mail me at once, two 75c bottles of your Germicide Hair Tonic. It has done wonders for my Dandruff trouble and the falling out of my hair. I have tried almost everything made and failed with them all, until I heard of yours. I am now almost cured of this trouble, after using two bottles of your Germicide Hair Tonic.

LOSS OF STARS IS KEENLY FELT

EUGENE, Mar. 10.—With spring training for varsity track candidates well under way, it appears certain that Coach Bill Hayward is going to have a hard time developing material which will replace three of Oregon's famous track artists who are lost to this year's team—"Hank" Foster, Ken Bartlett and Leith Abbott.

These three men represented between 30 and 40 points for Oregon in any meet last season, and their absence will be sorely felt to this year's squad.

**BABE RUTH LOSES
NINE BALLS FIRST
DAY OF WORKOUT**

SHREVEPORT, La., Mar. 10.—Seven drives over the right field fence, two over the center-field section and numerous clouts which rebounded from the boards comprised the toll of Babe Ruth's first day's workout at Shreveport. The batting champion, still favoring the right leg which he injured during his sojourn at Hot Springs, slapped into all sorts of straight ball pitching and delighted several hundred natives who turned out to see if these stories from the big league about Babe's hitting had been exaggerated.

SUNDAY SCHOOL PICNIC ENJOYED

IMBIL, Mar. 10.—(Special).—The M. E. Church gave a Sunday school picnic in the Amusement Hall Friday evening. Dinner was served at 7:30. The ladies had prepared a fine program.

Mr. and Mrs. Jim German gave an old time dance at their home last Friday evening. All had a very enjoyable time.

T. M. Ruckman made a business trip to La Grande the first of the week.

I. Bingham was on the sick list this week.

Dr. Vehre, of Elgin, was called to the McMasters home last Sunday and found Miss Mae with smallpox.

Mr. and Mrs. R. Henderson and family arrived from Mahit, Utah, last Monday morning. They will visit their parents, Mr. and Mrs. Wm. Henri.

The Ladies' Aid will give a play next Friday night entitled "When Smith Stopped Out." A large crowd is expected. The proceeds will go for a good cause.

Mrs. Milo Pratt and children are visiting at the home of her parents, Mr. and Mrs. Sam Morris.

Mrs. Miles Fallows took sick last Friday and Dr. Moore pronounced it appendicitis. Last Tuesday morning she submitted to an operation. It is to be hoped by Vada's many friends that she may soon recover.

Mrs. R. L. Mosher and her daughter, Alice, returned to Elgin last Monday morning. They were stopping at Hotel Imbler.

Mrs. Jack McCarthy and Mrs. Mable McAllister, of La Grande, were the guests of Mrs. Ida Wade.

**MOLD ON HAY IS
CAUSE OF HORSES'
SLEEPING SICKNESS**

GOLDENDALE, Wash., Mar. 10.—The cause of "sleeping sickness" among horses in the Klickitat valley is attributed to a white mold that forms on the outer edge of grain hay, both stacked in the field and when stored in hay mows for winter use.

BAD BREATH

**Dr. Edwards' Olive Tablets Get
at the Cause and Remove It**

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief throughout taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, changing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week, and note the pleasing effect.
