These tablets contain no poison but strengthen the stomach and enable it to digest the food naturally.—adv.

HIGH SCHOOL PROFESSOR FULLY RESTORED TO HEALTH

Professor Gross, of Kings' on Says This Medicine Has Done a Wonderful Work in His Case.

"What I needed was just an all round building up and Taniae has done that very thing," said Prof. W. L. Gross, popular instructor in the high school at Kingstou, Washington. Professor Gross is also a ranch-owner and is prominent in the civic and social affairs of his community.

"For several months I suffered from loss of appetite and gradually became badly run down. My strength seemed all gone, I scarcely had any energy and my work became tiresome. I ate so little that I lost considerable weight, and at times I had headaches when it seemed that my brain was just one bunch of throbbing pains and I felt tired and drowsy almost all the time. Then, too, I was suffering with rheumatic pains in my hips, which became so severe at times I could scarcely walk, and at night I seldom got any sound sleep.

"Observing the advertisements of Taniae relative to its reconstructive properties, I decided to try the medicine and see if it would restore me to health.

"Well, I have taken six bottles now and my appetite is splendid. I relish every meal and have gained considerably in weight. My strength has returned and my work is once more a pleasure. Besides building me up and relieving me of that tired drowsy feeling, Taniae has helped my rheumatism so much I scarcely notice it any more. The fact is, the medicine has done a wonderful work in my case and I am glad to recommend it."

Taniae is sold in La Grande by Silverthorn's Drug Store; Putnam Drug Store; Clyde Kiddle, of Island City; Ramsdell & McGowan, of Cove, and by leading druggists in every town.—adv.

"GUILTY OF LOVE" AT SHERRY'S THEATRE

An early stage success by Avery Hopwood serves as the basis for Dorothy Dalton's new picture, "Guilty of Love," which came to the Sherry Theatre last evening for a two days' run. It is a domestic drama of more than ordinary appeal.

Miss Dalton has the role of a New England maid, who, impoverished by the death of her father secures a situation as governess in a rich family. An unfortunate love affair with her employer's young cousin follows.

Years later, the husband returns from abroad to discover her teaching school in a country town and, through a dramatic series of events, they are brought happily together.

"Guilty of Love" offers Miss Dalton ample opportunities to display her emotional prowess.

Also showing a two-reel comedy and "Chester Outing."

OH! MY BACK!

The Expression of Many a Kidney Sufferer in La Grande.

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Don't's Kidney Pills relieve sluggish kidneys—relieve aching backs. Here's La Grande proof:

J. K. Shockley, 1504 1/2 N. Ave., says: "Several years ago I had kidney trouble and suffered from a dull aching across the small of my back. When I stooped, it was all I could do to straighten up and my kidneys were irritable in action. A friend advised me to use Don't's Kidney Pills and I decided to try them. They soon fixed me up in good shape. The aches and pains left and my back was strong and well."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Don't's Kidney Pills—the same that Mr. Shockley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

THE SEA HORNET

Capt. SCULPTRESS IN SOAP

June Hall, seventeen years old, lived in Escambia, Mich. One day the soap, as soap will do, slipped from her hand in the bathtub and striking the floor, made the pattern of a human face. Miss Hall squeezed the soap to other shapes. This began her art career. Letardo Taft, famous sculptor, heard of the soap sculptress and took her to Chicago, and has arranged for her art education. The photograph shows Miss Hall modeling Fokine and Fokina, the famous ballet dancers, in castile soap.

He Would, That's All. "Is there any hazing going on at this college?"

"None to speak of," said the second-year man. "But what would happen if a freshman refused to salute a sophomore?" "Well, to make a long story short, he would eventually salute the sophomore."
