THE DAILES TEAS WINS IN DEBATE

Lionel Barrymore in a picturization of W. B. Maxwell's fascinating novel, "The Devil's Garden," will be the big attraction at the Arcade Theatre today and Tuesday.

Lionel Barrymore has the part of William Dale, who elevates himself from the status of humble gardener to postmaster and a power in the community as a means of making himself worthy of the love of Marie, a servant in the household of Lord Barradine. They are married, but Dale's impetuous nature results in his suspension as postmaster. He is reinstated, but his happiness ends when he learns Marie has sacrificed herself to Barradine in order to have her husband's position restored. In a blind fury he goes to the estate of Lord Barradine, chokes him to death and returns to London to establish an alibi.

The dark cloud of the past makes his life miserable, but he sees a chance for salvation when he beholds the nearby orphanage in flames, the lives of the children in peril.

He rushes to the rescue and in his heroic act finds the answer to his great problem and a means of atonement for his wrongs of the past.

AT SHERRY'S, LAST DAY, "TOBY'S BOW"

"Toby's Bow," starring Tom Moore, will be seen at the Sherry theatre today. The story shows the folly of resting on laurels won by one clever piece of work. Tom Blake (Tom Moore) has written a very good book and success has spoiled him. His friends and publisher become disgusted with his shallow life and refuse to finance him further until he promises to leave the city.

Then the hero is given an opportunity to see the struggles of Eugene Vardaman (Doris Pawn) for recognition. When his deepest sympathies are touched, his entire life is reconstructed and he and the girl together find a way out of their difficulties.

Also showing "Vod-A-Vil" Movies.

In Ye Olden Time

hoop skirts were worn by those who first asked the druggist for, and insisted on having the genuine Favorite Prescription put up by Doctor Pierce over fifty years ago. Dress has changed very much since then! But Dr. Pierce's medicine contains the same dependable ingredients. They are standard today just as they were fifty years ago and never contained alcohol. Heavy burdens upon health, Worry, sleepless nights, headaches, pains, disorders, irregularities and weakness of a distinctly feminine character in a short time bring the dull eye, the "crow's feet," the haggard look, drooping shoulders, and the filtering step.

To retain the appearance of youth you must retain health. Instead of lotions, powders and paints, ask your druggist for Dr. Pierce's Favorite Prescription.

EAST OAKLAND, CAL.—"I have used Dr. Pierce's Favorite Prescription at different times for over twenty-five years, and it has never failed me. One time I took it when troubled with inflammation and it soon helped me. At another time I took it for severe pains in my right side; the 'Favorite Prescription' again helped me out, and I was soon well and strong. I can always depend upon it."—Mrs. A. E. Can You Write a Headline for This?

Foley's Honey and Tar is the best known and most successful family cough medicine on the market and the following letter is positively true and genuine:

"Says 'It Acts Like Magic'"

Gilbert Fleming, 701 Budge Av., Los Angeles, Cal., writes: "I have much pleasure in testifying to the very great benefit my family and I have derived from the use of Foley's Honey and Tar. Whenever there are any of our household suffering from heavy colds or bad coughs or hoarseness, we always get a bottle from our local drug store, and all of us get two doses obtain instant relief. Our company deserves great credit for such a valuable production and from our own experience we cannot do otherwise but recommend it to our friends and this we willingly do and will continue to do."

OREGON ELKS TO ADVERTISE

STATE OF OREGON WILL BE GIVEN BIG BOOST.

Lodgesmen Will Swoop Down on National Conventions With Big Campaign of Advertising.

Elks representing eighteen lodges in Oregon plan to swoop down on the national convention of Elks set for Los Angeles in July with a great campaign of Oregon advertising showing the varied resources of the state, according to recent plans outlined by the state convention committee.

Motion pictures showing Oregon's industries, booklets and exhibits of products now raised in the state are a few of the means that will be used to herald Oregon before the antlered herd of the nation. It is expected that \$10,000 will be spent in publishing 50,000 copies of an illustrated booklet.

More than 2,000 Oregon Elks are expected to march in the big convention parade. The Oregon delegation will appear in a distinctive uniform bearing only the numbers of the individual lodges. Monte Goldstein has been placed in charge of plans to co-ordinate the work and representation of all state lodges.

Musterole is a clear, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister.

Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, corns, blisters, pleurisy, rheumatism, lumbago, pain and stiffness of the back or joints, sprains, sore muscles, bruises, chafed skin, frost-bite, colic of the chest (it often prevents pneumonia).
