**Churches Gain Members—**  
Nearly all of the churches in La Grande took in many new members yesterday, Easter Day. Over 100 were taken into all of the churches making reports on their new membership.

**Coker Returns—**  
Rev. R. H. Coker, pastor of the Christian church, returned from Washington, D. C., this morning. Rev. Coker was in Washington for the inauguration and called on President Harding before returning to his home.

**Operated on This Morning—**  
Mrs. Roy Flexer, wife of Chief of Police Roy Flexer, was operated on at Hot Lake sanitarium this morning. Mr. Flexer accompanied Mrs. Flexer to the hospital yesterday and expects to return home tomorrow if Mrs. Flexer's condition is satisfactory.

**Salvation Army Services—**  
Special services will be conducted in the Salvation Army Hall on Fir street, Tuesday and Wednesday at 8 p. m. by Commandant Oldenburg, campaign secretary. All are cordially invited to attend these services, which promise to be of a very interesting character.

**High School Opera Successful—**  
Although no financial report has been made on the financial outcome of the high school opera, "Priscilla," which was given recently, there is a surplus in the hands of the management. The exact amount has not been announced, but it is believed to be somewhere between \$25 and \$50.

**Returns to Corvallis—**  
Among the students returning to Corvallis last evening, where they will resume their studies in the Oregon Agricultural College, were Joe Reynolds and Allyn Hunter. Joe is a senior and Allyn a freshman in the state institution. They spent the Easter vacation with their respective families.

**Bailey Werner Here For Day—**  
Representing Charlie Gram, of the state labor department, Bailey Werner is in La Grande today checking up factories and machinery defects.

**Miss Mueller Returns—**  
Miss Emma Mueller returned today from Portland, where she spent the Easter holidays with her sister and family, who have just returned from several years' residence in Manila.

**Poultrymen to Meet—**  
Poultry producers will meet in the city hall Wednesday afternoon at two o'clock for the purpose of organizing for their mutual benefit. The meeting is being arranged by L. M. Jensen.

**Spends Easter With Parents—**  
Editor George Huntington Currey, of the Baker Herald, and his brother Albert, who is working in the advertising department of that newspaper, spent Easter with their parents, Mr. and Mrs. George H. Currey. They returned to Baker this morning.

**Ballard Here—**  
F. L. Ballard, county agent leader, returned yesterday from a trip of over a month. He will be here for several days cleaning up routine business that has piled up during his absence.

**Pleads Guilty—**  
Bob Harris plead guilty to a charge of assault in municipal court Saturday and was fined \$10 and costs by Judge Kitchen. The complaint was sworn to by a man named Holmes, but Holmes did not appear in court so Harris' fine was imposed on his admission of guilt.

**Many Here Sunday—**  
A large number of Union and Walla Walla county people came in yesterday evening. Among those here were Robert Hunter, of Enterprise; S. A. Bruce, of Imbler; A. W. McDonald, of Summerville; W. L. Brock and George Ferguson, of Elgin.

**Ready to Poison Rodents—**  
The farmers around Union will put out squirrel poison as soon as the weather permits. There has been some of the work done already, but it is not as effective in the wet weather, so most of them have put off this work. At the meeting of the farm bureau branch there Saturday afternoon the poisoning work was discussed and a dealer to handle the poison sent out by the bureau appointed.

**Baptists Enjoy Service—**  
At the services of the Baptist church yesterday special music featured Easter Day. Loney's orchestra supplied some especially fine music for the large crowd attending the services and Miss Garrett, of the University of Oregon Girls' Glee Club, sang beautifully at the evening services. In the evening Miss Young led the chorus, playing the violin. Nineteen were baptized and 26 new members were taken in yesterday.

**Judge Phelps Here—**  
Judge G. W. Phelps, of the circuit court in Umatilla and Morrow counties, is in La Grande today sitting for Judge Knowles in a local case. Judge Phelps thinks a lot of Pendleton, but comes over here quite often and when he sees something that pleases him about La Grande, he doesn't hesitate about telling his friends about it. At a recent meeting of the Pendleton Rotary Club he gave the local Country Club some fine verbal bouquets.

**Country Club Dance—**  
Everything is in readiness for the Country Club dance tonight and every member expects to be on hand. Cars should drive up to the club house and unload their passengers, where they will receive instructions for parking their cars. Space will be provided for those desiring to play cards. It has been the intention of the committee to provide transportation for members without cars. If any member has been overlooked, please call one of the committee.

**Mr. & Mrs. P. J. Powers**

**Reception is Planned—**  
The local University of Oregon alumni and former students have planned a reception in honor of the University Girls' Glee Club which will sing here tomorrow evening at the high school auditorium. The reception will be held in the rooms of the new home economics building, and the public is cordially invited to meet the members of the club immediately after the concert. High school students have been especially invited. Mr. J. Donald Meyers and Miss Mildred Rydell are in charge of the arrangements.

**Presbyterian Easter Ingathering—**  
The six weeks' pre-Easter campaign in the Presbyterian church proved to be a great success. The house was crowded to the doors at the morning service when 28 members were welcomed into the membership of the church. The musical numbers rendered by the two choirs were thoroughly enjoyed by all. The minister spoke briefly on the ever interesting question, "If a Man Die, Shall He Live Again?" The attendance at the Sunday school was larger than for a number of years, and as one member said, "The need of the new church building is becoming increasingly evident."

**Union Lamb Chops Appetizing—**  
If within the next few days you eat a particularly tender lamb chop, you can make up your mind that it came from the carload of fat lambs brought down from the Eastern Oregon experiment station at Union by Robert W. Withycombe. These lambs were raised under special testing conditions, and careful records were kept of the amount of feed used and weight gained. Robert Withycombe, son of Dr. James Withycombe, former governor of Oregon, has been with the Union experiment station 12 or 15 years.—Oregon Journal.

## DEBATE TEAMS ARE CHOSEN

**EUGENE, Mar. 28—**State high school debates to determine the district winners to meet here junior week-end in the series for the state championship, have been completed and six winners from the 12 districts have been reported to the extension division, in charge of the series. The winners are: Salem for the North Willamette district; Eugene for the South Willamette district; Kappa for the lower Columbia district; Heppner for the Umatilla district; Burns in the Southeastern Oregon section, Klamath Falls in the south central district, and Lostine for Eastern Oregon district. With the district preliminary debates finished, the extension division is now preparing a questionnaire to be sent each of the winning teams to find out what methods they prefer to follow in the final round. The team winning the state championship will be presented with a cup.

## POPULAR YOUNG PEOPLE MARRY

La Grande was honored yesterday by being chosen as the sacred point for the nuptials of a young couple popular in the northwest and well known in several different localities. When Mrs. H. W. Oviatt and daughter, Miss Pearl Lyndon, of San Francisco, registered at the Foley hotel Saturday, little excitement followed because there are many people from San Francisco who visit La Grande. When Roy C. Jones, of Kansas City, who travels northwest territory for the Moyer-Wheeler Dry Goods Co., registered at the Foley Hotel, the usual courtesies were passed for Mr. Jones is quite well known to La Grande's business section and his arrival in the city is an expected event. But when, on Easter morning, Mr. Jones and Miss Lyndon, accompanied by the young ladies' mother, appeared at the Presbyterian parsonage and Rev. James Aikin Smith, pastor of the church, pronounced the couple man and wife, then the hotel people began to smile and hurl the old shoe of luck, wishing the young people the choicest blessings that married life affords.

The bride, while living in San Francisco, is now one of the popular teachers in the Boise schools, and, after the school year is finished, will join her husband and travel his territory with him for the following year. The friends of Mr. Jones in La Grande rejoice with him in the remarkable Easter event and appreciate the selection of La Grande as the place where his real life has started.

**GUSTAVO WILL MEET TED THYE**  
BAKER, Mar. 28.—Before one of the most enthusiastic crowds that has ever witnessed a bout here, Ad Gustavo, local boy, won from Cliff Lewis, Salt Lake City, taking the out of three falls. By winning this event, Gustavo earned the right to meet Ted Thye, in a bout to be held here. Gustavo took the first and last falls, none requiring more than 16 minutes. He weighed in at 160 pounds, while Thye tipped the scales at 182.

## WILLIAM QUINN PASSES AWAY

BAKER, Mar. 28.—William Quinn, for several years a resident of this city and later of La Grande, died at St. Elizabeth hospital in this city Thursday morning, following a short illness with pneumonia. The deceased was aged 78 years and during his residence here acted as fireman at St. Francis academy. During his residence in La Grande he held a similar position at the institution there. He is an uncle of Senator Phelan, of California, and is a member of La Grande lodge Knights of Columbus.

## TRAILS TO BE MARKED IN WENAH FOREST THIS YEAR

F. W. Kendall, forest ranger with headquarters in La Grande, has completed 15 new signboards to mark trails in the Wenaha forest this summer. These markers are placed for the benefit of campers, as well as campers, and Mr. Kendall states that this year the forest service will strictly enforce the regulation against damaging government property by taking action against persons who deface the signboards. In the past it has been a favorite sport of many campers to inscribe their names on these boards, affecting their usefulness and making them unrecognizable. This is construed as a violation of the laws of the federal government.

## FARMERS IN OTHER COUNTIES ARE WORSE OFF THAN IN UNION

Union county farmers may be in a bad financial fix because of about everything possible working towards their disadvantage during the past year, but there are others who are in a worse shape, according to F. L. Ballard, county agent leader, who has just returned from Lake county where he says conditions are worse. The trip down there had to be made by stage for 200 miles and this distance from the railroad helps to add to the burdens of the farmers down there.

In Central Oregon in general, Mr. Ballard found prospects for the future bright, especially for the stock industry. There has been plenty of rain and pasture is good and the hay crop will be mighty good, according to the present outlook. The stock men expect to make up, at least in some measure, for the past year's adverse conditions.

**Compass at South Pole.**  
At the South magnetic pole, which is a long way from the geographical South pole, a compass needle suspended so as to swing in a vertical plane, dips until it reaches a vertical position with the south end downward. An ordinary compass needle suspended so as to swing horizontally only becomes sluggish near the poles, the magnetic force of the earth tending to pull one end of the needle down, instead of making the needle swing.

**His Awful Thought.**  
Warren was an only child, and there being no boys in the neighborhood he was obliged to play with girls, of whom there were a number. One day he appealed to his father to move, saying: "Dad, if you don't get me away from here and let me play with boys, I am afraid I'll grow up to be a regular sis."

**Laws That Must Be Obeyed.**  
Conditions are largely what people make them. If they observe national and economical law there is greater prospect of peace and plenty than when they ignorantly or deliberately violate them. When these laws are violated no man-made laws will change results.

## CHURCHILL SPEAKS TO TEACHERS

(Continued from Page 1)

mal work will be required besides the high school work.

**County Unit Option.**  
The county unit option law was also discussed by Mr. Churchill. He believes that this law will eventually revolutionize the present system of schools. In showing how this law will work he said that if the plan were adopted in Union county, the adoption being entirely up to the individual counties, La Grande and Union would retain their city school districts but the entire county outside of this would be placed into a single district. Five members to the board of education for this district would be elected by the people in the district. These would elect a superintendent, who would make recommendations regarding teachers. Mr. Churchill believes that this system will greatly increase the efficiency of the schools so that, once it is put into operation, it will be universally adopted.

**Mental Tests in Baker.**  
The morning session was opened by an address on "Mental Tests" by Superintendent Prentiss Brown, of Baker. The psychological tests are being tried out in Baker and those who are backward or advanced beyond the average are being segregated. Those who are above the average are placed into separate classes, and the backward ones are in the same placed into

separate classes. In summing up the results observed so far he said that it wasn't so much what could be done with the backward ones, but the others advance more rapidly if the backward ones are removed. Superintendent H. R. Benjamin, of Umatilla, discussed "Measurements of Teaching." He stated that he was not in sympathy with long lists of subjects that are being required of departments of education in many universities for the major students in education to measure the ability of teachers. However, he advocated the idea of standard tests in each room and said that we would never get away from the matter of personal judgment.

As Superintendent H. M. James, of Heppner, was not here, R. W. Taverner, of Enterprise, called attention to the necessity of making clear, in all cases where pupils are transferred to other cities, what grade the pupils made in each particular subject. Superintendent D. R. White, of Wallowa, discussed the junior high school. Wallowa is trying to work out the junior high school system. Six grades are taught in the grammar schools, three in the junior high school and three in the high school.

## Reducing Work to Pleasure With the VIKING

HERE'S one job on the farm you can make a pleasure. You don't need to put much time on a Viking cream separator, either in operation or in cleaning. You will enjoy doing the skimming and can take the Viking apart and clean it quickly. No clumsy, heavy parts to get mixed up—no chance to go wrong, and it runs as smoothly as a watch. Nothing to get out of order, always clean, fresh and ready. The time you save in using a
