## MRS. REIFENSTEIN, AGED 67, GAINS 25 POUNDS

Declares She Would Like to Put A Bottle of Tanlac in the Hands of Every Sick Man, Woman and Child In This Country—Never Saw Its Equal.

"I am sixty-seven years of age, but in all my experience I have never known a medicine like Tanlac. Think of it! At my age to gain twenty-five pounds in weight, but that is just what I have done," said Mrs. Emma Reifenstein, of No. 337 Webster avenue, Syracuse, N. Y.

"If I had it in my power," she continued, "I would put a bottle of Tanlac in the home of every sick man, woman and child in this country, for I know what this wonderful medicine would do for them. For almost two years I was almost a nervous wreck. I did not dare to leave the house or even go up town unless my husband went with me. I was afraid to even cross the street and had a feeling of dread all of the time.

MRS. EMMA REIFENSTEIN  
337 Webster Ave., Syracuse, N. Y.

"My stomach was weak and easily upset. For days at a time I would go without solid food. I could not rest at night to do any good and felt tired and worn out all of the time. Some days I could hardly drag myself across the room and was so weak and miserable I was ready to give up.

"My health is fine now and I eat anything I want and never have a touch of indigestion. I have never slept better than I do now. My recovery is the talk of our neighborhood, as it was generally believed I could not last but a few weeks longer. This grand medicine has brought me health and happiness and I just can't say enough in its praise."

Mr. J. Reifenstein, in commenting on his wife's statement, said: "Yes, her recovery has been a happy surprise to us. A few weeks ago I had no idea she would be able to pull through, but now she is in better health than I have ever seen her and the credit is due to Tanlac. We have been married fifty-two years today and I don't believe I have ever seen her looking any better."

## TIMBER IS TO BE PRESERVED

SALEM, April 6.—Under new laws enacted at the recent session of the legislature the state highway department, under direction of Herbert Dunn, state highway engineer, is planning to have strips of the forest along the scenic roads of the state preserved.

Governor Clecott first advocated conservation of timber along the highways and in a message to the legislature requested the enactment of laws providing for such procedure. He was supported by the lawmakers, and several laws designed to maintain the present scenic standards of the state were enacted. These laws become effective in May.

A Drug Store that carries a large stock of almost every kind of goods that large city drug stores carry is the kind that Silverthorn's Family Drug Store is, and a store that does a large prescription business, probably the largest of any city of similar size in Oregon. A drug store that always endeavors to tell its customers the true facts concerning

the goods they sell. We notice they are remodeling their Soda Fountain and a new, high-class soda water man will be in charge in a day or two. Their Kodak line is quite complete and they develop and print your film promptly. Why not drop in and let them show you their Kodak line. We feel sure your wants will be filled most satisfactorily.
