NORTH POWDER GROWERS SIGN

NORTH POWDER, Apr. 11.—During the past week many wheat growers in the Powder Valley are reported to have entered into the wheat marketing agreement of the Oregon Co-Operative Grain Growers Association. C. A. Barnes of Goldendale, Wash., and C. C. Paine of Pendleton, have been in the North Powder district the past week looking after the organization here.

The signing up for this year's production must be completed by June 30 and several others may assist in the work in order that Umatilla and Walla Walla county growers may be given an opportunity to join in the movement before that date.
