GYPSY HEIR TO KINGSHIP DYING

DETROIT, Mich., Apr. 21. - Whether the dynasty of the tribe of Demitro, one of the oldest reigning gypsy houses in America, is broken, depends on the fight of 8-year-old John Demitro for recovery from pneumonia. The lad is in a hospital here, critically ill. John, the only heir in line to the title besides his father, Ephraim, is the one concern of 1641 families in the United States and Canada, whose king is Zitho, the boy's grandfather, who inherited the title from his father in Siberia. The aged chieftain has spent night and day at John's bedside for a week, and during that time many others of the tribe have visited him, some coming from New York, New Orleans, Chicago and San Francisco. When his condition will permit John receives his visitors with the poise of a chieftain, but the homage is paid as well to a real American boy, for his nurse's review of the movies and news from his schoolmates means as much to him as tribal traditions. WILL PROVIDE NEEDED DETOUR

BAKER, Apr. 21. - That detours will be provided on all sections of the Baker-Huntington highway where it is necessary to close the main road is the information given by Engineer Clark, in charge of the work, to ex-County Judge William Doby. Mr. Clark also stated that the section which is now closed will be opened within the next two or three days. Complaints regarding the work were characterized by Mr. Clark as being overdrawn to a great extent and it is believed that the impatience of tourists at being held up for a short time is the underlying cause for the complaints.
