"I Feel as Tho' I Could Not Drag Thru the Day's Work"

is the complaint of many a woman in the household, office or factory. After suffering from feeling nervous, dizzy, weak and dragged-down by weaknesses of her sex - with eyes sunken, black circles and pale cheeks - such a woman is quickly restored to health by the Favorite Prescription of Dr. Pierce. Changed, too, in looks, for after taking Dr. Pierce's Favorite Prescription the skin becomes clear, the eyes brighter, the cheeks plump. It is purely vegetable and contains no alcohol. Druggists sell it in tablets or liquid, or send Doctor Pierce, at Invalids' Hotel in Buffalo, N. Y., 10 cents for trial package.

REDDING, CALIF. - "Dr. Pierce's Favorite Prescription is perfectly wonderful. I owe everything to this medicine. When I was passing thru middle age I suffered everything. Finally, I decided to take Dr. Pierce's Favorite Prescription. It stopped the headaches, the dizziness and the hemorrhages. I never had any more trouble. It really is great." - MRS. R. B. RALPH, 60 Ferrisburgh Street.

## HAD TO SLEEP IN HIS CHAIR

Portland Man Was In Pain All the Time From Rheumatism Until He Secured Tanlac.

"It was six months ago that Tanlac set me straight and added fifteen pounds to my weight, and ever since then I have been enjoying as fine health as I ever did in my life," was the statement made recently by O. W. Axelson, of 244 Cook Avenue, Portland, Oregon.

"Seven years ago I had an awful attack of rheumatism," he continued, "and it kept pulling me down until during the past year I wasn't able to work more than half the time. My whole left side became affected and it pained me so I could hardly touch it. My leg was drawn and crooked and if I tried to straighten it out I simply suffered agonies. I was in pain all the time, could never sleep to do any good and was often unable to lie down and would have to sit in a chair all night long. My appetite went down to nearly nothing and I fell off in weight.

"I had no idea Tanlac could do me much good after all the many treatments and medicines I had tried had failed, but it proved to be a winner. In a short time the pains commenced to let up and I could straighten out my leg without its hurting me. And in little more than a month I could not feel a trace of the rheumatism and had actually gained fifteen pounds in weight. This was six months ago and I have not been troubled in any way whatever since. I

## SURVEYORS MAKE CAMP

The weekly report of the city manager for the week ending April 19, shows that the party surveying the proposed Lower Beaver Creek water supply line has made camp at the sheep ranch a mile and a half above the mouth of Beaver Creek and will now conduct their surveys from that point.

The police department showed contributions of \$171 in fines, forfeits and pound fees. Thirteen arrests were made during the week, five of which were for traffic violations and three for intoxication. The number of convictions secured was 13. The report from the police department also showed that contagious disease is rapidly being eliminated, only two

## PREVENTATIVE MEDICINE

The tendency of medical science is toward preventative measures. It is easier and better to prevent than to cure. Pneumonia, one of the most dangerous diseases that medical men have to contend with, often follows a cold or attack of grip. The cold prepares the system for the reception and development of the pneumonia germ. The longer the cold hangs on, the greater the danger. Take Chamberlain's Cough Remedy as soon as the first indication of cold appears so as to get rid of it with the least possible delay. It is folly to risk an attack of pneumonia when this remedy may be obtained for a trifle - adv.

INDIGESTION AND CONSTIPATION. "Prior to using Chamberlain's Tablets, I suffered dreadfully from indigestion. Nothing I ate agreed with me and I lost flesh and ran down in health. Chamberlain's Tablets strengthened my digestion and cured me of constipation," writes Mrs. George Stroup, Solway, N. Y. - adv.
