Governor Olcott stated that he referred the matter to the state highway commission and that "I have sympathy with the idea conveyed in your telegram and so expressed myself to the commission."

Social Workers Organize—The local industrial association met this morning and decided to organize a joint social service commission, two representatives of each club to be members. The first meeting is to be held next Sunday afternoon at two.

Receives Reply—C. B. Miller, secretary of the Ad club, has received a reply from Pendleton chamber of commerce to the request from the local club's finance committee regarding the means used in financing up the Pendleton club. The local club, which is contemplating a membership campaign, wrote the Pendleton club believing that some valuable suggestions would be secured from them.

Boy Scout Surgeon—Thursday evening the Boy Scouts met with a pleasant surprise after their regular meeting. The ladies of the Neighborhood club put on the kind of food that every boy enjoys, ice cream and cake being furnished in sufficient quantities to satisfy the most hungry. Avery received about 50 cases of this preparation today and will be distributing it to the U. S. biological survey, is making preparations for distribution. Both believe that it will be more effective than the plain strychnine as it is put in cots or pans like salt and has no taste to warn the animals.

The better business bureau of the Ad club, the youngest of the special committees, will be in charge of the Ad club luncheon to be given at the Foley Hotel, E. Dixon, chairman of the committee, announced today that he is preparing a list of speakers who will have something to say of interest to all Ad club members and urges a full attendance. He has been working for some time on plans for the meeting and the talks should be of unusual interest. Mr. Dixon stated that such can be done toward raising business thies among those whose standards are not what they ought to be by discussing these matters from every possible angle.

Have Pains?

Aches and pains seem to be the lot of the ordinary mortal. However, these should be taken simply as nature's warning signals that some part of the human machine is out of order. It is a mistake to resign one's self to physical torture when the cause can be removed.

Foley Kidney Pills

tone up weak, inactive, sluggish kidneys and help rid the blood of poisonous waste matter that causes aches and pains in arms and legs, backache, rheumatic pains, sore muscles, stiff or swollen joints.

Isaac R. Turman, Ashbury Park, N. J., writes: "My back caused me a great deal of trouble for some time. I experienced sharp, shooting pains which were due to the condition of my kidneys. One bottle of Foley Kidney Pills completely relieved me. The pains left my back. I recommend Foley Kidney Pills to my friends."

A Friend of the Family

Over fifty years ago a young physician practiced widely in Pennsylvania and became famous for his uniform success in the curing of disease. This was Dr. R. V. Pierce who afterwards established himself in Buffalo, N. Y., and placed one of his prescriptions, which he called his "Golden Medical Discovery," in the drug stores of the United States so that the public could easily obtain this very remarkable tonic, corrective, and blood-maker. Dr. Pierce manufactured this "Discovery" from roots and barks without alcohol—a corrective remedy, the ingredients of which nature had put in the fields and forests, for keeping us healthy. Introduce pure red blood into the system, and health is assured. When you feel run-down, out of sorts, blue and despondent try the energizing influence of this reliable tonic. You can obtain Golden Medical Discovery in tablet or liquid form at all drug stores, or send 10c for a trial package to Dr. Pierce's Laboratory in Buffalo, N. Y.
