Fine Soda Water.

A fine soda water and a fine soda water man to run it, all good and reliable. That is the impression one gets when dropping in at Silverthorn's soda water fountain. By the way, Mr. Fry, the soda water man, would like very much to serve you one of his new sodas. A nice fresh strawberry sundae made from nice ripe strawberries sounds just as good as it really is at their fountain. 5-2-1f

PORTLAND MAN BELIEVER NOW

Altizer Makes Seventeen Pound Gain By Taking Tanlac—Health Restored.

"Tanlac has made a believer of me, for I have picked up seventeen pounds by taking it," said J. P. Altizer, 228 Hall street, Portland.

"About two years ago I was taken down with erysipelas and was in bed for over a month. It left me with no appetite and my stomach was all out of order and I began to fall off in weight. When I ate anything it would sour on my stomach and I would bloat all up and get short of breath. I was troubled a lot with heartburn and dizziness. My nerves finally broke down and I became so restless that I could hardly sleep. I was just about all in and so weak that each morning I didn't know whether I could hold out through the day or not.

"Well, I hadn't been taking Tanlac four days before I felt a great relief, and now I don't believe I ever felt better in my life. I eat like a lumberjack, am not troubled with nervousness or dizziness and sleep like a baby. I am back to my normal weight and, knowing what I do about Tanlac, I am more than glad to tell others about it."

LUMBAGO.

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."

CHEVROLET SALES INDICATE REFUND IS NEARLY ASSURED

August 1 purchasers of Chevrolets here can expect a refund of \$70 on open cars and light delivery wagons and \$100 on closed cars. The local agents for the Chevrolet, the Inland Motor company, as well as dealers in other parts of the country, report sufficient sales to justify predicting a sale of 50,000 Chevrolet 'Four-Ninety' cars by that date, which is the number that must be sold by dealers throughout the country so that purchasers will receive this refund.

During the past month several carloads of Chevrolets have been received here and sales have been fairly good, the weather of the last two weeks cutting into prospective sales considerably. Several cars a week have been sold, however, in spite of the rain.

STORM'S MAJESTY CAUGHT BY CAMERA IN FILM AT SHERRYS

The majestic grandeur and the frequently fatal results of a terrific thunder and lightning storm are shown in "The Stormers," William Christy Cabanhe's powerful story of the humanities, a Robertson-Cole super-special, which will have its last showing today at the Sherry Theatre.

The storm shown in the picture is not a make-believe one, staged especially for the screening of the play. It was taken under actual storm conditions.

So obliging did the storm prove that a bolt struck directly behind the house which had been erected by Mr. Cabanhe for the specific purpose of being destroyed by lightning. As the building became enveloped in flames and the firemen arrived more than 5,000 townspeople gathered to watch the spectacle, despite the raging of the elements. The rescue of several persons from the burning building and the realism of the storm photography makes this scene one of the outstanding ones of the picture.
