HERE THEY ARE TOM, DICK AND HARRY

These are the three members of the famous Edmond Foot-Fitter family. They have come here and you will find them here indefinitely. They are acknowledged throughout America as the greatest value in Men's shoes. They are made in three distinct styles, each one in a separate factory, built in a style range that will meet the demand of old and young. All made of a rich shade of Mahogany Russia Calf.

TOM

This was the first shoe made. It is made over a Edmonized Munson last. Full toe—will fit snug in heel and arch. Ohio calf skin upper, oak tanned outer-sole solid leather counters, innersoles and toe-boxes. In fact shoes could not be made better.

\$7.45

DICK

The second shoe made by Edmonds. It is truly a Foot-Fitter—made over a smart medium toe with an easy swing that will permit plenty of ball room, and an even tread. It is also a combination last—this assures a perfect fit.

\$7.45

HARRY

The third member of the Edmond's Foot-Fitter family. The smartest and most comfortable fitting English last that was ever made. Rich, dark mahogany Russia calf, broad shanks, solid leather soles and rubber heels. It is made with "the famous Foot-Fitter hump."

\$7.45

The Edmonds Shoe Company, the maker of these famous shoes, were determined that these shoes should be the greatest values in the world; they have accomplished what they set out to do by crowding every bit of value that could be put into shoes regardless of what it cost. You just simply can't buy better shoes. Come and see our window—then come in and let us explain the merits of these wonderful shoes. Up to three months ago these same shoes sold all over at twelve dollars—now they can be bought at Clint's Clothy at \$7.45
