## PORTLAND MAN REPORTS GAIN

Andy Towles Says Tanlac Built Him Up So He Is Ready To Go Back On Job.

"Tanlac certainly proved to be the medicine I needed for, since I began taking it, I have gained twenty-one pounds, and am ready to go back to work," said Andy Towles, 552 Market street, Portland.

"For two years before I started taking Tanlac I had suffered from stomach trouble and rheumatism. My appetite was poor and the little I did manage to eat wouldn't digest and made me miserable for hours afterward. Gas would form on my stomach, and press against my heart and lungs until I could hardly breathe, and after I just had to gasp for breath. I was always constipated, had awful headaches, there was a roaring noise in my head and I often became so dizzy I could hardly stand on my feet. The rheumatism in my back and legs was so bad I was nearly always in pain and my joints were so stiff I could scarcely use my limbs. Finally I became so nervous, run-down and weak I just had to give up and quit work entirely.

"A friend of mine in Seattle told me of the benefits he had derived from Tanlac and I decided to try it myself. Well, sir, it has done me so much good my friends all ask me what I have been taking to make me look so well, and I might quickly tell them it was Tanlac. I now have a splendid appetite, everything agrees with me and I am never troubled with gas nor shortness of breath. The rheumatism has left me entirely, and I can get around as well as I ever could. I am not bothered with constipation, never have a headache or am dizzy, and that peculiar roaring has gone from my head. My nerves are in good shape, I sleep well, have regained my lost weight and strength and feel simply fine all the time."—Adv.

## ARE LOOKING FOR FLOWER THIEVES

According to reports received by the sheriff's office and the police department, the stealing of flowers from parking strips and gardens continues. Monday night it was reported that tulips not yet ready to flower had been torn up in front of the George Parker place on First and Adams.

Officials are making every possible effort to apprehend the guilty persons and if the guilty ones are found there will be no lack of charges to bring against them, according to Roy Flexer, chief of police. Just what particular charge will be used in prosecution he wouldn't say but petty larceny, malicious destruction of property, disorderly conduct and several other charges cover the ground.
