A TRIAL WILL CONVINCE YOU.

NOTHING that we could say would so thoroughly convince you of the value of Chamberlain's Tablets as a personal trial. We can tell you of thousands who have been permanently cured of chronic constipation, indigestion, biliousness, sick headache and disorders of the stomach and liver, but this will have little weight with you as compared to a personal trial. That always convinces.

PICNIC WEATHER IS SMILED UPON

Members of the University Club, who are looking forward to the picnic tomorrow evening at the park, were quite jubilant today over the return of warm weather. "This is our first club picnic and we are planning on having one fine time," said one member of the club.

Plans have been made for taking all of the members to the park in cars, all being asked to meet on the Y. M. C. A. corner. The first cars will leave at 5 o'clock, the second group at 6 o'clock. All of those who are planning on going and have extra space in their car, are asked to go by the "Y" and take a few extras. Earl Reynolds and Fred Kiddle are in charge of transportation. Miss Sarah Smith is the general chairman in charge of the picnic, and has assisted in the matter of "eats" the Misses Hazel Magnuson, Runa Bacon, Marjorie Barratt and Mrs. Charles Reynolds, who announce that the mess hall will be sounded at 6:30 sharp.

TRACK TEAM IS ANNOUNCED

La Grande high school's track team will go to Union Saturday, intending to take high honors at the Eastern Oregon track meet here. Seventeen men will be taken over by Coach Earl Reynolds and all of them expect to be in the best trim of the season and the competing teams from other places will go up against a stronger La Grande team than at any of the dual meets earlier in the season.

Yesterday afternoon the hurdles and other paraphernalia to be used at the meet was taken over to Union from here. The men who will make the trip as members of the local team include the following: Theison, Bean, Black, Blokland, Christian, Hawes, Horstman, Kingwell, E. Larson, T. Larson, S. Lynch, R. Lynch, Oliver, Smith, Snautz, Heughan, Chandler. Those who will run in the relay race are Christian, Heughan, Hawes, E. Larson.

PHYSICIANS MEET IN ASSOCIATION

A very pleasant evening was enjoyed by the physicians of Union county Tuesday evening when they met in the offices of Dr. A. L. Richardson for the purpose of organizing the Union County Medical Association. The attendance represented most of the valley communities and officers selected were: Dr. A. L. Richardson, president; Dr. Whiting and Dr. Moore, vice presidents; Dr. Ralston, secretary; Dr. Logan, Dr. Kirby and Dr. Whiting, committee on by-laws.

Medical subjects affecting the county as a community were discussed and during the evening Dr. W. T. Phy. of Hot Lake, placed before the association the new projecting machine which shows in moving pictures different surgical operations. The pictures are taken for the purpose of explaining surgery and thus every physician is at once informed of the developments made in the east.

ALICEL BEATS IMBLER TEAM

ALICEL, May 10.—(Special).—The Alicel schools announce the closing exercises will be presented at the church, Thursday evening, May 26, at 8 p. m. Everybody is urged to attend as the program being prepared is really worth while. On Friday, May 27, a community picnic is planned with a few sports in connection.

A. L. Taylor lost a fine mule last week. What might have been a serious accident occurred Saturday evening when a horse ran into the car driven by Thos. Wallinger. The collision resulted in a broken windshield, broken lights and some other minor injuries to the car. The horse was not much the worse for the trouble.

Mrs. V. E. Randall, of La Grande, was the guest of her mother, Mrs. M. A. Brown, over the week-end. Carl Friewold has gone to Portland to enter school.

Mr. and Mrs. G. D. VanHousen and family, of Union, visited at the home of M. F. Van Housen Sunday.

Alice boys played a baseball game with Imbler Wednesday and won by a score of 11 to 8.

Mr. and Mrs. Melville Stewart went to Union Sunday to visit their daughter, Miss Kathleen, who is a Junior in the high school there. They were accompanied by Mrs. Bruce Clark and Miss Lucretia Beckman.

BUSINESS IN IDAHO IS SLOW AT PRESENT

S. F. Andrew, of the Variety Store, reports that business in Idaho, where he spent several days on business this week, the slump in business has put the quietness on business in general much more than here in La Grande. Andrew went to Wendell to look after a farm he owns there and in the hotel there it is seldom that traveling men are seen now. It wasn't so very long ago when three or four a day stopped there but now two or three days sometimes elapse before a traveling man even stops long enough to take a meal in the town.

Rupert, on the Minidoka trail where Mr. Andrew visited for a day, is in much worse condition than Wendell, he says. There are many vacant houses there now. Weiser, while complaining of the hard times, is apparently a busy town, and Nampa, where Mr. Andrew spent half a day, has suffered from over-expansion to some extent. The people in Idaho, however, are hopeful that better times are on the way now.

Highway commissioners John R. Yoon and W. B. Barratt, Highway Engineers Kelly and Baldock, and the Baker county officials spent the past week in an inspection trip of the Baker-Cornucopia postroad. The party also inspected the market road to Robinson.
