Most Wholesome Candy Made.

Candies that are really fine, that are always fresh, is what we all should buy—chocolate candy is, without a doubt, the most wholesome candy made. It is worth one's while to seek such candies that we can depend upon for purity. It affords us much pleasure to call to your attention the high class chocolates that are made at the Palace Confectionery of our city. Just compare their candies with others that may be offered you and we know you will find our judgment good.

Ask Mr. Fry!

Oh, Boy! If you want to know, Where there's something good, I'll tell you where: on the corner there. You come with me if you want to see. For everything's good as it can be. There's ice cream sundae and swell root beer. And the bulleest soda you've tasted yet— Didn't I say it was Silverthorn's. On the corner there? Now don't forget. For there's not another place in town That is quite so good, that's what I've found. And there's something else I forgot to say. They're serving a special there today. "La Grande Special." Oh, Boy, it's swell!

I can't name all and I will not try. You just go in and ask Mr. Fry. He'll show you better than I can tell.

I was yellow as gold, now I am as white as snow. I am all cleared up. It is a wonderful thing. I will tell you more about it when I see you."
