"The Damsel"

Since the dancing mania set in, the "The Damsel" has for itself wide popularity, and—on at least dancing men—no longer proclaim with one voice that "teas are a bore."

When a hostess adds dancing to the entertainment which she offers her guests, she usually receives in the end of the drawing room, in order to leave plenty of space to the devotees of the dance; for whom in these days nothing seems too good. A number of young girls are usually invited to assist the hostess, by mingling with the guests and seeing to it that the dancers do not lack introductions to one another. As these young women act in a measure in the capacity of hostesses, they wear no hats.

Many excellent people are in the habit of frequenting "The Damsels" at select metropolitan hotels; but it is difficult for even the circumspect to be sufficiently careful of conventions when amusing themselves in this way in a public restaurant. Here, of all places, adequate chaperonage is absolutely essential.

EDDIE POLO AND VAUDEVILLE AT ARCADE WEDNESDAY

When he was a gymnast with Barnum and Bailey's Circus, Eddie Polo, Universal serial star, fell sixty feet from a flying trapeze. He was laid up in the hospital for many weeks. He duplicates just such a fall in the fifth episode of his serial, "Kiss of the Circus," to be seen at the Arcade Theatre Wednesday only, in connection with the four acts of Vaudeville.

"ON WITH THE DANCE" AT SHERRY THEATRE TODAY AND WEDNESDAY

Honest plodder—he had married a butterfly wife. The pleasures, the luxuries she craved, were not in his power to give. But another man was rich—willing to spend on a pretty woman who would play his game. Her answer was, "On with the dance!" It is the story of an amazing revenge of a jilted light-o-love. The shot at a revel that ends the "fools' dance." The butterfly's startling confession in court to save a man. Also the comedy, "3 in a Row."

CURWOOD STORY IS COMING TO ARCADE

Several of the scenes in this rugged romance of the Far North were made by a special process, which has earned it the praise of every critic who has seen it.
