ETIQUETTE EVERYDAY

The coupons for seats in a box are given to an usher at the door and the gentlemen of the party follow the ladies, who are preceded by the usher. Arrived at the box, both men and women remove their wraps in the small anteroom, and then the women enter the box first, taking the chairs at the front.

Chaperons and matrons precede the younger women, or at least they are given the first choice of seats, though the elder ladies, as a rule, resign to the debutantes the pleasure and privilege of occupying the chairs nearest the rail. The men take their seats behind the ladies. At the conclusion of the performance, the members of the party resume their wraps in the anteroom.

You'll enjoy the sport of rolling 'em with P. A.!

FIRST thing you do next — go get some makin' papers and some Prince Albert tobacco and puff away on a home made cigarette that will hit on all your smoke cylinders!

No use sitting-by and saying maybe you'll cash this hunch tomorrow. Do it while the going's good, for man-o-man, you can't figure out what you're passing by! Such flavor, such coolness, such more-ish-ness—well, the only way to get the words emphatic enough is to go to it and know yourself!

And, besides Prince Albert's delightful flavor, there's its freedom from bite and parch which is cut out by our exclusive patented process! Certainly—you smoke P. A. from sun up till you slip between the sheets without a comeback.

Prince Albert is the tobacco that revolutionized pipe smoking. If you never could smoke a pipe — forget it! You can—AND YOU WILL —if you use Prince Albert for packing! It's a smoke revelation in a jimmy pipe or a cigarette!
