ETIQUETTE

The Hostess' Daughters. In the event the hostess to an afternoon tea has daughters past the debutante period, they generally receive guests with their mother. At the end of an hour, however, they are privileged to leave their mother's side, occasionally, and mingle among the guests, making necessary introductions and seeing that no one is unoccupied or has missed being served. When the hostess has no daughter, the husband quite often takes their place and fulfills the same duties.

Tomorrow—"Invitations to Afternoon Musicales."

Call on Saturday. On Saturday of this week at the Palace Confectionery on your way home, stop and secure a special box, specially priced for the occasion and for Saturday.

Our Hobby.

Silverthorn's have a hobby in furnishing that high class ice cream called the "Berkeley Ice Cream" at their fountain. All the flavors—and that elegant fruit sherbet. Their prices are just right, 30¢ a pint and 65¢ a quart. You, therefore, can find nothing better than is always in all items at their fountain.

WALLOWA DOCTOR HERE

Dr. John B. Gregory, of Wallowa, arrived last evening. Dr. Gregory is owner of the Wallowa hospital in his home town.

Mrs. Nancy Westcott, of Syracuse, N. Y., who declares Tanlac is the greatest medicine on earth. She says it built her up to where she is just brimful of new life and energy.

"I just think Tanlac is the greatest medicine on earth and I can never praise it enough for what it's done for me."

"For two years I was in a badly rundown condition. I had no appetite and after every meal I would be in awful distress from indigestion and bloating. My nerves were on edge, and I could never get a good night's sleep. I felt tired and worn out all the time, was losing weight, and many times I was so weak I couldn't look after my household. I just felt miserable."

"Tancal helped one of my friends so much that I began taking it and it has certainly built me up into splendid health. My appetite is so big I can hardly get enough to eat now, and I am never troubled a particle with bloating or indigestion. My nerves are as steady as clockwork, and I sleep like a child at night. I have recovered my strength and am just brimful of new life and energy. In fact, I feel better than I have in years."

My gratitude towards Tanlac is unbounded. The above statement was recently made by Mrs. Nancy Westcott, 121 Market St. Syracuse, N. Y.
