## BY-LAWS ARE ACCEPTED

The Welfare Commission of the city of La Grande met at the city hall Tuesday evening. By-laws were adopted and five committees were decided on. These committees are to be appointed by the executive committee, which is composed of the elected officers of the commission.

The committees to be appointed are as follows: legislative, child welfare, law enforcement, moving pictures and mental defective supervision and commitment. It is probable that the present child welfare committee functioning in the city will be asked to serve for the commission.

Meetings will be held monthly in the future, the last Tuesday of each month being the date for these meetings. The executive committee will meet oftener, however. The work of the commission is to be continued during the summer.
