THE "SAGE HEN" IS SHOWING AT ARCADE

"Sage Hen" was a term applied to women of doubtful character in the days of the old West. Such a reputation had been unjustly given to Jane Croft, who courageously suffered every persecution of spirit, mind and body and faced every sacrifice, first for the protection of her own son, and then for a young girl over whom her glorious mother heart yearned. "The Sage Hen" will be shown at the Arcade Friday and Saturday.

D. W. GRIFFITH'S LATEST SENSATION AT SHERRY THEATRE

The master screen craftsman, David Wark Griffith has produced another wonderful production, "The Love Flower," which is being heralded everywhere as a creation of exquisite beauty, haunting charm and spirited drama. United Artists Corporation recently announced its release and the first showing of this newest Griffith production in this community will be at the Sherry Theatre on Friday and Saturday.

Its theme, primarily, is of unusual interest, interwoven with side lights of intricate complications that add materially to its action, its heart interest, its suspense and its ultimate justification, for it is an unusually dramatic story of the wonderful love of a daughter for her heart broken father, who being hounded to the very end of the world, dares to plan the undoing of the man who is desirous of bringing ultimate disgrace upon the very light of her heart and soul and unhappiness to her every thought.

Decline of the Parlor. One of the large manufacturing companies of the United States is engaged in the construction of a great number of houses for its employees and while there are many good features in the way of making conveniences, the most striking thing about the homes is the total absence of the usual parlor. The space is thrown in to the other rooms. It looks as if the parlor was out of fashion.
