### Business Women Callers

In recent years, many American women have become engaged in business. Many of these business women wish to continue with their social life, and it has become necessary that rules for calling be adapted.

It is customary for a business woman to issue "at home" cards one Sunday of each month; the other three are reserved for the fulfillment of her social obligations. If the business hours will permit, the "at home" should be during the week.

### Truthful Advertising.

Advertising is believed by all business men of today to be the only true and quick way of reaching the people, provided you advertise truthfully. Now, that is what we absolutely do—tell you the truth every time, for that is pure religion. Hence, we tell you that our ice cream is strictly pure, is finely flavored with pure flavors and when fruit is used, it is always a pure and perfect fruit. So is our candy. Just a little better and more perfectly made than most candy sold. Our hot or cold lunches served by us at 11:30 a. m. to 1:30 p. m. is a great big value quickly and perfectly served by fine girls who cannot be surpassed anywhere. Al Cain, at the Palace Confectionery Co.

### WHOOPIING COUGH.

This is a very dangerous disease, particularly to children under five years of age, but when no paregoric, codeine, or other opiate is given, it is easily cured by giving Chamberlain's Cough Remedy. Most people believe that it must run its course, not knowing that the time is very much shortened, and that there is little danger from the disease when this remedy is given. It has been used in many epidemics of whooping cough with pronounced success. It is safe and pleasant to take.—adv.
