### WHEAT AFTER ALFALFA IS VERY GOOD FOR LAND

Hugh Haron, who farms on the sandridge north of Imbler, has, during the past few years and some experience in putting alfalfa on land that has been in wheat so long that rotation of crops is necessary. Last year he put Grimm alfalfa on some of his worn-out wheat land, fertilizing with 200 pounds per acre of land plaster. He used four pounds of seed per acre.

Last year he cut one crop and then let it go for pasture. The first cutting yielded two and a half tons of hay per acre. He has another field which he is handling the same way this year. It looks as good as any alfalfa in the valley.

Haron's experience has been that the yield is considerably increased by following wheat with alfalfa. After the alfalfa was turned he raised 32 bushels of wheat per acre. Adjoining land of the same kind yielded only 20 bushels per acre.

The chief difficulty, Mr. Haron says, is that after alfalfa has been on the land there is an excess of nitrogen. This results in the wheat growing so rank that it burns up.

### HILL MILITARY ACADEMY ALUMNI ARE ORGANIZED

At a meeting of men who formerly attended Hill Military Academy held recently an organization to be known as Hill Military Alumni association was formed. Whalley Watson was elected honorary president and Fred J. Ruesberg, active president. Other officers elected for the permanent body were: Honorary vice presidents, Congressman Clifton N. McArthur, Allen M. Ellsworth, Walter A. Holt; first vice president, Dean Hayes; second vice president, Merle G. Campbell; secretary, Austin Flegel; treasurer, John C. Veach; trustees, Natha Wargweller, W. E. Graham, George Brinkerfield, Oswald Day, P. J. Thorn, E. A. Shearer and Matthew Troy.

A call will be sent out inviting all graduates to the homecoming on commencement day, June 15, at 8 p. m.

The association will be made up of graduates of Hill Military Academy, Portland, and of men who attended the Bishop Scott Academy during the principalship of the president emeritus, Dr. J. W. Hill.

The Home of the Soul. In older times, it was believed that the seat of the soul is the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Give them a trial. They only cost a quarter.

They never made a cigarette like this in my day.

The Camel idea wasn't born then. It was the exclusive expert Camel blend that revolutionized cigarette smoking.

That Camel blend of choice Turkish and Domestic tobaccos hits just the right spot. It gives Camels such mellow mildness and fragrance!

The first time I smoked Camels I knew they were made for me. I knew they were the smoothest, finest cigarette in the world, at any price.

Nobody can tell me anything different.
