WE have established a service for women and men who want to do small jobs of interior painting, varnishing or refinishing of furniture, floors, bath rooms, walls, and bric-a-brac.

It's a free service. You simply tell us what you have to refinish, how finished now and what effect you want to get.

We tell you how to do it—in detail. What kind of material to use. What kind of brush. What method. Where to buy.

You can work transformations in home things that will surprise you. Old bedsteads, tables, chairs, woodwork, floors, bath tubs, etc. are old really, only on the surface. Paint, varnish or enamel them and—they're new!

Follow Fuller's "Home Service" Specifications, and you'll get the exact effects you're looking for. Don't think you can't because you haven't done this kind of work before. Let Fuller products and Fuller service show you that you can.

Remember—don't allow surfaces to rot. It costs less to paint them.

#### VIOLET HEMING SAYS "EVERYWOMAN" WILL SHOW PUBLIC TASTE

Violet Heming, who is appearing at the Sherry Theatre last times today in the elaborate picture version of "Everywoman," regards the success or failure of a large-scale artistic venture such as the filming of the famous morality play as a commentary on the public's taste in motion pictures.

"It is a lamentable fact," said Miss Heming recently, "that some rickety pictures exploited with semi-suggestive advertising have packed theatres when the productions themselves were stupid and far from being up to their present notices even in their naughtiness. When a big, clean, beautiful product of art like 'Everywoman' comes along, it deserves the support of every right-thinking movie patron."

#### "REPUTATION" PLAYS AT ARCADE THURSDAY, FRIDAY AND SATURDAY

"Reputation," the newest Universal Jewel super-feature, starring Priscilla Dean and coming to the Arcade Theatre Thursday, Friday and Saturday, is heralded as a dramatic thunderbolt of tremendous power.

The most interesting feature of "Reputation" is the fact that it permits Priscilla Dean to play a dual role—a mother and daughter—both possessing marked histrionic talents, but differing in every other characteristic. The mother is a woman who has violated social code and sunk to moral depths in her reaction to her rise in fame and popularity. The daughter, on the other hand, raised in a country school, blooms like a violet in a swart, and grows up to pure and charming young womanhood. The mother has forgotten the daughter's existence, while the child has never known her mother's identity. Fate brings the two together under circumstances that try their souls and lead to big, dramatic situations.

#### KELLY'S COMEDIANS WILL PRESENT "HIRAM" TONIGHT

The Kelly Comedians, who are here for all this week, entertained a large crowd last evening with their presentation of "A Day at the Races," at their tent show on Chestnut and Jefferson. The same actors and actresses who so pleased the audiences last year, are with the company, and with the addition of several new members, the company may be said to be better than ever.

This evening is the big night of fun, when the sparkling comedy, containing the best there is in rural comedy, "Hiram," will be staged. "A Country Fair" will also be put on, La Grande merchants having given nearly \$100 worth of merchandise which will be given from the stage, free, this evening.

#### WHY IT SUCCEEDS.

Because It's For One Thing Only, and La Grande People Appreciate This. Nothing can be good for everything. Doing one thing well brings success.

Donor's Kidney Pills are for one thing only.

For weak or disordered kidneys. Ask your neighbor.

Here's La Grande evidence to prove their worth.

Howard C. Trull, 1100 O St., La Grande, says: "I can't recommend Donor's Kidney Pills to remedy of merit. I have used them for attacks of kidney complaint and my back was weak and lame and my kidneys acted irregularly and naturally. A short use of Donor's Kidney Pills has never failed to relieve these attacks and strengthen my back and kidneys."

Now see all dealers. Don't simply ask for a kidney remedy, get Donor's Kidney Pills—the same as Dr. Trull had. Poster All was a success.

**Secret of Happy Life.**  
The secret of the happy life is found in the attention of our eyes and the color of our thoughts. Which do we look for—compliment or praise? Which goes first into our scale for estimation—praise or merit? Are we looking for a way up to compare ourselves with the most successful men, or far beyond success to the center of our life and joy—Katharine.

**Character in the Face.**  
A command of words and a faculty for acquiring languages is noted in eyes that are prominent and fall under the nose. A Grecian nose denotes passive endurance. In a sensitive person, the long, narrow nostrils, an aquiline nose, and that part of the cheek lying between the nose and the cheek bone, are very prominent. Much space between the eyebrows and the eye at the outer corner denotes great love of enjoyment. A square, high, broad forehead denotes faithfulness.
