Athlete Pushes Way to Fame

August Deuch had much trouble getting into Notre Dame College, in 1917, because of crowded classes. He was insistent and finally was admitted. Now he's athletic hero at the college. He recently broke the world's 440 yard hurdle record. The Junior class elected him class president.

BRIGHT FEELS MUCH YOUNGER

Wretched Health of San Francisco Man Soon Ended by Taking Tonic.

"I'm now sixty-five years of age, but since taking Tonic I actually feel twenty years younger," said John W. Bright, 2111 Castro St., San Francisco, Cal., "for the medicine has relieved me of trouble; I thought nothing could help. Years and years ago while working at my trade as carpenter back in Kentucky I got hurt lifting heavy lumber, and as time went on and my back kept hurting me so bad I thought it was the strain. But some years back I began having indigestion and Tonic fixed my stomach up in first-class condition in just a little while and I quit taking it because I had no idea it would help my back. Then last July while working in the shipyards that pain suddenly struck me in my back and my son had to carry me home. I went right to bed, could hardly move and it seemed that nothing could help me. Finally I got to where I could be up a little, but was so weak I could hardly walk. My back hurt terribly and my kidneys bothered me so I could scarcely sleep. My appetite was poor and I was almost a complete nervous and physical wreck. Remembering how Tonic had built me up before I started taking it again. It soon had my stomach in fine shape, and to my surprise I found that the pain had disappeared from my back also. I have a fine appetite now, always feel strong and full of energy and my back is in fine condition, I can stoop over without a bit of trouble and get about as well as a man half my age." GERMAN GIVES HIS EXCUSE

PARIS, June 9.—The German ambassador mayor has presented excuses for the attack upon the French

troops in Silesia yesterday. He said the German defense forces. He said the Germans mistook the French for the Polish insurgents.

No Shots Fired. OPPHELM, June 9.—Five thousand Polish insurgents have been driven from Rosenberg by the British forces. The Poles made a show of resistance, but the British did not fire a shot in the taking of Rosenberg.

HARRY CAREY COMING IN NEW ROLE

Harry Carey, who usually plays the most active roles imaginable, will be seen in a new characterization in "If Only" Jim, his latest Universal photodrama which comes to the Star theatre Saturday and Sunday. Clyde Cook, one of the funniest comedians to be seen on the screen will appear in a new two reel comedy called "The Jockey."

"OFFSHORE PIRATE" NEW DANA VEHICLE

"The Offshore Pirate," a Metro special production, starring adorable Viola Dana, comes as the feature attraction at the Sherry theatre last day today.

"REPUTATION" HAS MANY STIRRING CLIMAXES—SHOWING AT ARCADE

Priscilla Dean evidently had use for all her reserve fund of energy and "pep" in the making of "Reputation," her latest and biggest Universal Jewel production in which she is now appearing at the Arcade theatre. Miss Dean displays more energy to the square inch in this forceful drama than has been presented on a screen in years.

A BIG POKER GAME FURNISHES CHANCE FOR NOVEL STUNT

There are many interesting features in "Lightning Bryce," showing at Sherry's.

FEATURE SHOW AT THE TENT THEATRE TONIGHT

And the post-card read, "Hello Pops, here's a little Christmas present for you." On these few words hinges the laughable plot of the show at Kelly's Tent Theatre. Tonight is feature night and the management promises an extraordinarily good show. "The High Cost of Loving," will be the attraction. A Cornish Floral Dance, by Ben Dix, and the Kelly Ballet; Miss Olive Finney will sing, "The Love Ship" and Miss Dolly Day, baritone, will sing "Broadway Rose."

Yarn of Dog's Eyes

Here is a story which the collector of true dog yarns might like to add to his list. A gentleman had a dog whose eyes were remarkably different in size. Whenever a stranger dined at the house the dog played a trick on him. He would first get fed and 'hold' the guest, and then go around the table to his other side and pretend to be another dog!

Woodchuck Hard to Capture

Many woodchucks are caught in steel traps, but the animal often escapes by gnawing its way through the jaws of the trap as possible says the American Forestry Magazine. A woodchuck will gnaw through a wire trap as fast as he can to get out. If he then sees a trap set to catch him, he will gnaw out of it. He will gnaw through a wire trap as fast as he can to get out. If he then sees a trap set to catch him, he will gnaw out of it.
