HAD TO FIGHT TO GET BREATH

Almost a Physical Wreck, Raff Is Built Back to Vigorous Health By Taniae.

"I had heard a great deal about Taniae and since trying it myself I can conscientiously say it is the best medicine I have ever seen in all my experience," said David Raff, 250 N.

DAVID RAFF

250 N. 59th St., Philadelphia, Pa. 59th St., Philadelphia, recently. Mr. Raff has lived in Philadelphia all his life and is well known and highly respected.

"My health was all broken up," he explained. "My stomach was all out of order and gave me so much trouble that I usually dreaded to go to the table. I could simply rather go without eating than suffer the awful misery I knew would follow. I would blow up so with gas that my heart would beat a terrific rate and it seemed sometimes I was being smothered to death. I just had to fight for my breath. My nerves were all undone, I slept poorly and was all the time having headaches that were almost blinding. I lost weight and felt so weak and run-down all over I could hardly do any work."

"Sometime ago a good friend of mine told me he knew Taniae would help me and he spoke so positive about it that I took his advice. And I can say right now that Taniae is the first medicine I ever saw that will do exactly what they say it will. Five bottles have the same as made me all over again. I can eat anything I ever could in my life and have gained fifteen pounds in weight. I'm no more nervous than a child, sleep fine and it just makes me feel happy to be enjoying such good health. Taniae certainly is a great medicine."—(Advertisement.)
