A Camera. A camera need not be an expensive one and yet be an extra good one for the price. No expense is spared—it is perfect so far as it is complete. A more expensive camera is more complete. It will produce more work and do more kinds of work than a cheaper camera. If you have only \$4.00 or \$5.00 to spend, we can sell you a good camera. If you wish to spend \$10.00 or \$20.00 for a better camera, we can sell you one that will be a good value and a better one than a cheaper camera and we will warrant it to do all we promise it will do. We can please you with developing and printing and enlarging of pictures at Silver's.

THE REASON FOR OUR SUBSTANTIAL GROWTH IS OUR SUBSTANTIAL SERVICE

When a Man Marries

At a recent national conference of savings bank officials it was said that married men save more than single men—and more savings accounts are opened in June than in any other month. So June, the month of brides—and sweet girl graduates and eager boys with the light of the world's battles in their eyes—is also the month of Savings Accounts. But why limit this advantage to married folks? Everyone needs a savings account and now is the best time to start one. And here is a good place—where good service and security of funds make our interest rate doubly attractive.
